Yes

Please provide reasons for your views.

Question 2(c)

Regarding continuous professional development for directors, do you agree with our proposal to define “First-time Directors” to mean directors who (i) are appointed as a director of an issuer listed on the

Exchange for the first time; or (ii) have not served as a director of an issuer listed on the Exchange for a period of three years or more prior to their appointment?

No

Please provide reasons for your views.

Period of five years should be more appropriate.

No

Please provide reasons for your views.

Yes

Please provide reasons for your views.

Question 5

Do you agree with our proposal to introduce a new CP requiring issuers to maintain a board skills matrix and make disclosure set out in CP B.1.5?

Yes

Please give reasons for your views.

Question 6(a)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the hard cap to ensure that INEDs are able to devote sufficient time to carry out the work of the listed issuers?

No

Please provide reasons for your views.

Many executive directors of listco act as executive director of a number of listed companies. Usually, the time required for INED is much less than an executive director. It will be strange not to cap the number of executive directorship but to cap the number of independent directorship.

Question 6(b)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the proposed three-year transition period to implement the hard cap?

No

Pls see my point in Q6a

Question 7

Do you agree with the proposal to introduce a new Mandatory Disclosure Requirement (MDR) in the CG Code to require the nomination committee to annually assess and disclose its assessment of each director’s time commitment and contribution to the board?

No

Please provide reasons for your views.

The board of a listed company is not a rigid mechanical body. This proposal will only lead to formality without any real substance.

Question 8(a)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed hard cap to strengthen board independence?

No

Please give reasons for your views.

INED has to be independent no matter it is one year or 9 years with the issuers. It is naive to assume an INED will automatically become not independent in nine years. For those professional (like Lawyers, accountants) they have regulatory body to govern their independence and professional and it is pointless for HKEx to use the bar of 9 years for independence test.

New INED to replace existing INED (over 9 years' experience) is just introduced, and its effectiveness has yet to be demonstrated. It is too early to propose to put aside those INED with over 9 years.

Question 8(b)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree that a person can be re-considered as an INED of the same issuer after a two-year cooling-off period?

No

Please provide reasons for your views.

Given 8a proposal is not appropriate at all. 8b is pointless.

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed three-year transition period in respect of the implementation of the hard cap?

No

Please provide reasons for your views.

There should not be a hard cap at all! Transition period is meaningless.

Please provide reasons for your views.
