Question 1

Do you agree with our proposal to introduce a new Code Provision (CP) under the Corporate Governance Code (CG Code) requiring issuers without an independent board chair to designate one independent non-executive director (INED) as a Lead INED to enhance engagement with investors and shareholders?

Yes

Please provide reasons for your views.

Question 2(a)

Regarding continuous professional development for directors, do you agree with our proposal to make continuous professional development mandatory for all existing directors, without specifying a minimum number of training hours?

No

Please provide reasons for your views.

I believe most of the INED are experienced professionals and trust the company to keep the board abreast of new requirements and key changes to the listing rules/other regulations. It is not necessary to specify continuous professional development at board level.

HKEX can request the company and the board to self declare that the members of the board have kept up to date on the key changes in regulation

Question 2(b)

Regarding continuous professional development for directors, do you agree with our proposal to require First-time Directors to complete a minimum of 24 hours of training within 18 months following their appointment?

No

see 2a

Question 3

Do you agree with the proposed consequential changes to Principle C.1 and CP C.1.1 of the CG Code?

No

Please provide reasons for your views.

Question 4

Do you agree with our proposal to upgrade the current Recommended Best Practice (RBP) in the CG Code to a CP requiring issuers to conduct regular board performance reviews at least every two years and make disclosure as set out in CP B.1.4?

No

Please provide reasons for your views.

I believe that this is very onerous for the issuer to conduct this board performance review. The board's function is to oversee the management and operations of the company and give independent advise should the performance warrant improvement, and not the other way around.

Question 5

Do you agree with our proposal to introduce a new CP requiring issuers to maintain a board skills matrix and make disclosure set out in CP B.1.5?

Yes

Please give reasons for your views.

Question 6(a)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the hard cap to ensure that INEDs are able to devote sufficient time to carry out the work of the listed issuers?

Yes

Please provide reasons for your views.

To ensure that INEDs dedicate adequate time to each board, the hard cap rule is reasonable. Also gives more opportunities to first time INED candidates to serve on boards

Question 6(b)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the proposed three-year transition period to implement the hard cap?

Yes

Please provide reasons for your views.

The issuer may take some time to search for the right INED candidate and also will give some handover time for the new INED

Question 7

Do you agree with the proposal to introduce a new Mandatory Disclosure Requirement (MDR) in the CG Code to require the nomination committee to annually assess and disclose its assessment of each director’s time commitment and contribution to the board?

No

Please provide reasons for your views.

the no of meetings attended is already included in the annual report

Question 8(a)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed hard cap to strengthen board independence?

Yes

Please give reasons for your views.

Many INEDs are not really independent. Many are relatives or family members. Hence the control of the board still rests with the major shareholders. This will give more opportunity to outside INED candidates

Question 8(b)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree that a person can be re-considered as an INED of the same issuer after a two-year cooling-off period?

Yes

Please provide reasons for your views.

reasonable proposal

Question 8(c)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed three-year transition period in respect of the implementation of the hard cap?

Yes

Please provide reasons for your views.

Yes

Please provide reasons for your views.

Question 10

Do you agree with our proposal to introduce a CP requiring issuers to have at least one director of a different gender on the nomination committee?

Yes

Please provide reasons for your views.

In addition, there should be an extension to the no single-gender board rules to have at least 30% representation of women on boards by 2027 with the aim of parity. The issuer should now set a target of at least 30% board gender diversity by 31/12/2027 in preparation for the extension of the no single-gender board rules.

Question 11

Do you agree with our proposal to introduce a Listing Rule to require issuers to have and disclose a diversity policy for their workforce (including senior management)?

Yes

Please provide reasons for your views.

This will give visibility to issuers that the company complies with the diversity requirements. There should also be a requirement to disclose workforce diversity policies to include measurable objectives and targets of 30% female representation at senior management level by 31/12/2027. This is an essential means of building a pipeline for diverse board talent and to achieve overall diversity amongst issuers in HK.

Question 12

Do you agree with our proposal to upgrade from a CP to a MDR the requirement on the annual review of the implementation of an issuer's board diversity policy?

Yes

Please provide reasons for your views.

This will keep the issuers on the toes to comply with diversity requirements.
