Question 1

Do you agree with our proposal to introduce a new Code Provision (CP) under the Corporate Governance Code (CG Code) requiring issuers without an independent board chair to designate one independent non-executive director (INED) as a Lead INED to enhance engagement with investors and shareholders?

Yes

Please provide reasons for your views.

This would potentially enhance governance channels for investors and the lines of communication.

Question 2(a)

Regarding continuous professional development for directors, do you agree with our proposal to make continuous professional development mandatory for all existing directors, without specifying a minimum number of training hours?

Yes

Please provide reasons for your views.

Continuous professional development for directors should be mandatory.

Question 2(b)

Regarding continuous professional development for directors, do you agree with our proposal to require First-time Directors to complete a minimum of 24 hours of training within 18 months following their appointment?

Yes

Please provide reasons for your views.

However, we do not necessarily agree with a prescriptive number of hours of 24. We agree in principle with the requirement of training hours though.

Question 2(c)

Regarding continuous professional development for directors, do you agree with our proposal to define "First-time Directors" to mean directors who (i) are appointed as a director of an issuer listed on the Exchange for the first time; or (ii) have not served as a director of an issuer listed on the Exchange for a period of three years or more prior to their appointment?

Yes

Please provide reasons for your views.

Question 2(d)

Regarding continuous professional development for directors, do you agree with our proposal to specify the specific topics that must be covered under the continuous professional development requirement?

Yes

Please provide reasons for your views.

Question 3

Do you agree with the proposed consequential changes to Principle C.1 and CP C.1.1 of the CG Code?

Yes

Please provide reasons for your views.

We will encourage the practice of external evaluations and that a summary of recommendations of both internal and external board reviews to be made public.

Question 4

Do you agree with our proposal to upgrade the current Recommended Best Practice (RBP) in the CG Code to a CP requiring issuers to conduct regular board performance reviews at least every two years and make disclosure as set out in CP B.1.4?

Yes

Please provide reasons for your views.

We will encourage the evaluations of board reviews to be made public. What is lacking are details on whether the evaluation was conducted internally or externally, the process involved, the results, and where areas for improvement have been identified.

Question 5

Do you agree with our proposal to introduce a new CP requiring issuers to maintain a board skills matrix and make disclosure set out in CP B.1.5?

Yes

Please give reasons for your views.

This is critical.

Question 6(a)

In relation to our proposal to introduce a "hard cap" of six listed issuer directorships that INEDs may hold, do you agree with the hard cap to ensure that INEDs are able to devote sufficient time to carry out the work of the listed issuers?

Yes

Please provide reasons for your views.

While a cap on the number of directorships is welcome, we view the figure of six as generous. Malaysia has a limit of five INED directorships, while in Taiwan the cap is four and in China, three.

Question 6(b)

In relation to our proposal to introduce a "hard cap" of six listed issuer directorships that INEDs may hold, do you agree with the proposed three-year transition period to implement the hard cap?

No

Please provide reasons for your views.

We think the proposed three-year transition period could be shortened to two-years.

Question 7

Do you agree with the proposal to introduce a new Mandatory Disclosure Requirement (MDR) in the CG Code to require the nomination committee to annually assess and disclose its assessment of each director's time commitment and contribution to the board?

Yes

Please provide reasons for your views.

Question 8(a)

In relation to our proposal to introduce a "hard cap" of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed hard cap to strengthen board independence?

Yes

Please give reasons for your views.

Long tenured INEDs could be a NED after this. HK needs to be comparable with other international major financial centers. Long tenure may not destroy performance of the company, but it may destroy independence and lead to groupthink. This would provide time for corporates to think about succession planning. In addition, there should be opportunities for new candidates to get the chance to be INEDs, otherwise will only see the same INED faces in different companies

Question 8(b)

In relation to our proposal to introduce a "hard cap" of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree that a person can be re-considered as an INED of the same issuer after a two-year cooling-off period?

No

Please provide reasons for your views.

This is too short a time period.

Question 8(c)

In relation to our proposal to introduce a "hard cap" of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed three-year transition period in respect of the implementation of the hard cap?

No

Please provide reasons for your views.

The proposed transition period could be shortened to two years.

Yes

Please provide reasons for your views.

Yes

Please provide reasons for your views.

We strongly support having a female director on the nomination committee (NC).

Question 11

Do you agree with our proposal to introduce a Listing Rule to require issuers to have and disclose a diversity policy for their workforce (including senior management)?

Yes

Please provide reasons for your views.

A new rule requiring mandatory disclosure of how diversity policies are being implemented is also welcome, as is greater visibility on gender ratios among senior management and the greater workforce.

Question 12

Do you agree with our proposal to upgrade from a CP to a MDR the requirement on the annual review of the implementation of an issuer's board diversity policy?

Yes

Please provide reasons for your views.

Question 13

Do you agree with our proposal to require as a revised MDR separate disclosure of the gender ratio of: (i) senior management; and (ii) the workforce (excluding senior management) in the CG Report?

Yes

Please provide reasons for your views.

This helps track progress against stated goals and policies.

Question 14

Do you agree with our proposal to codify the arrangements during temporary deviations from the requirement for issuers to have directors of different genders on the board as set out in draft Main Board Listing Rule 13.92(2) in Appendix I?

Yes

Please provide reasons for your views.

Question 15(a)

Do you agree with our proposal to emphasise in Principle D.2 the board's responsibility for the issuer's risk management and internal controls and for the (at least) annual reviews of the effectiveness of the risk management and internal control systems?

Yes

Please provide reasons for your views.

We generally support the proposal but will encourage greater emphasis on the respective roles of management and internal audit in implementing and reviewing risk management and internal control systems.

Question 15(b)

Yes

Please provide reasons for your views.

Question 17

Do you agree with our proposal to introduce a new MDR requiring specific disclosure of the issuer's policy on payment of dividends and the board's dividend decisions during the reporting period?

Yes

Please provide reasons for your views.

In principle we support the proposal, but believe it should have the force of a listing rule. We would also encourage the disclosure requirement to be broadened to include share buyback and capital management policies more generally.

Question 18

Do you agree with our proposal to introduce a Listing Rule requirement for issuers to set a record date to determine the identity of security holders eligible to attend and vote at a general meeting or to receive entitlements?

Yes

Please provide reasons for your views.

Question 19

Do you agree with our proposal to codify our recommended disclosures in respect of issuers' modified auditors' opinions into the Listing Rules?

Yes

Please provide reasons for your views.

This would codify the practice of disclosing more detailed information where there is a modified auditor opinion.

Question 20

Do you agree with our proposal to clarify our expectation of the provision of monthly updates in CP D.1.2 and the note thereto?

Yes

Please provide reasons for your views.

Question 21

Do you agree with our proposal to align requirements for the nomination committee, the audit committee and the remuneration committee on establishing written terms of reference for the committee and the arrangements during temporary deviations from requirements as set out in draft Main Board Listing Rules 3.23, 3.27, 3.27B, 3.27C and 8A.28A in Appendix I?

Yes

Please provide reasons for your views.

Do you agree with the proposed implementation date of financial years commencing on or after 1 January 2025, with transitional arrangements as set out in paragraphs 182 to 183 of the Consultation Paper?

No

Please provide reasons for your views.

We think there can be a two-year transition period for the mentioned changes.
