Question 1

Do you agree with our proposal to introduce a new Code Provision (CP) under the Corporate Governance Code (CG Code) requiring issuers without an independent board chair to designate one independent non-executive director (INED) as a Lead INED to enhance engagement with investors and shareholders?

Yes

Please provide reasons for your views.

We support the proposal to designate one a lead INED to enhance communication with shareholders. We would also like to take this opportunity to recommend increasing the minimum board independence level to majority independence - this is especially important for issuers without an independent board chair to have an effective counterbalancing mechanism. For example, in India, at least 1/2 of the board is required to be independent when the chair is not independent.

Question 2(a)

Regarding continuous professional development for directors, do you agree with our proposal to make continuous professional development mandatory for all existing directors, without specifying a minimum number of training hours?

Yes

Please provide reasons for your views.

Question 2(b)

Regarding continuous professional development for directors, do you agree with our proposal to require First-time Directors to complete a minimum of 24 hours of training within 18 months following their appointment?

Yes

Please provide reasons for your views.

Question 2(c)

Regarding continuous professional development for directors, do you agree with our proposal to define “First-time Directors” to mean directors who (i) are appointed as a director of an issuer listed on the Exchange for the first time; or (ii) have not served as a director of an issuer listed on the Exchange for a period of three years or more prior to their appointment?

Yes

Please provide reasons for your views.

Question 2(d)

Regarding continuous professional development for directors, do you agree with our proposal to specify the specific topics that must be covered under the continuous professional development requirement?

Please provide reasons for your views.

Question 3

Do you agree with the proposed consequential changes to Principle C.1 and CP C.1.1 of the CG Code?

Yes

Please provide reasons for your views.

Question 4

Do you agree with our proposal to upgrade the current Recommended Best Practice (RBP) in the CG Code to a CP requiring issuers to conduct regular board performance reviews at least every two years and make disclosure as set out in CP B.1.4?

Yes

Please provide reasons for your views.

Yes. We would further suggest to encourage periodic external evaluations to complement internal board reviews, and to make all board performance reviews results publicly available.

Question 5

Do you agree with our proposal to introduce a new CP requiring issuers to maintain a board skills matrix and make disclosure set out in CP B.1.5?

Yes

Please give reasons for your views.

Question 6(a)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the hard cap to ensure that INEDs are able to devote sufficient time to carry out the work of the listed issuers?

Yes

Please provide reasons for your views.

Yes. We suggest to further consider the significant time commitments expected for executive directors and limit directors with executive positions to only one external board directorships. In other words, for an executive director of a listed company, he/she can only take on one external independent directorship.

Question 6(b)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the proposed three-year transition period to implement the hard cap?

Yes

Please provide reasons for your views.

Yes. While we prefer issuers to transition as soon as possible, we are conscious of the need to ensure overall board continuity during the transition period so we would strongly encourage issuers to plan ahead of time and avoid abrupt large changes to the Board at the end of the three-year transition period.

Question 7

Do you agree with the proposal to introduce a new Mandatory Disclosure Requirement (MDR) in the CG Code to require the nomination committee to

annually assess and disclose its assessment of each director’s time commitment and contribution to the board?

Yes

Please provide reasons for your views.

Question 8(a)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed hard cap to strengthen board independence?

Yes

Please give reasons for your views.

We support a hard cap of nine years, and we suggest the time a director had served on the board pre-IPO should also be included. We also suggest requiring disclosure of director election voting results from minority shareholders separately after shareholder meetings.

Question 8(b)

In relation to our proposal to introduce a “hard cap” of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree that a person can be re-considered as an INED of the same issuer after a two-year cooling-off period?

No

Please provide reasons for your views.

Yes

Please provide reasons for your views.

While we prefer issuers to transition as soon as possible, we are conscious of the need to ensure overall board continuity during the transition period so we would strongly encourage issuers to plan ahead of time and avoid abrupt large changes to the Board at the end of the three-year transition period.

Question 9

Do you agree with the proposal to require all issuers to disclose the length of tenure of each director in the CG Report?

Do you agree with our proposal to introduce a CP requiring issuers to have at least one director of a different gender on the nomination committee?
