Timeframe for Publication of ESG Reports
1. Do you agree with our proposal to amend Main Board Listing Rule 13.91 and GEM Listing Rule 17.103 to shorten the time required to publish a environmental, social and governance ("ESG") report from three months after the publication of the annual report to within four months for Main Board issuer or three months for GEM issuers from the financial year-end date?

Printed Form of ESG Reports

No
Please give reasons for your views.

It is suggested that no printed form of ESG report shall be made available even upon request from shareholders.
