PART I: INDEPENDENT NON-EXECUTIVE DIRECTORS

Overboarding and INED's time commitment

1. Do you agree with our proposed amendment to Code Provision ("CP") A.5.5 (on a "comply or explain" basis) so that in addition to the CP's current requirements, the board should also explain, if the proposed independent non-executive director ("INED") will be holding his seventh (or more) listed company directorship, why he would still be able to devote sufficient time to the board?

Yes

No

Please give reasons for your views.

As NED/INED was not an executive role which is not expected to put too much time on company affair. However, if the director take executive roles of too much listed companies, it should be a concern.

Board diversity

2. Do you agree with our proposals to upgrade CP A.5.6 (on a "comply or explain" basis) to a Rule (Rule 13.92) requiring issuers to have a diversity policy and to disclose the policy or a summary of it in their corporate governance reports?

Yes

No

Please give reasons for your views.

I think the current arrangement should be sufficient.

3. Do you agree with our proposal to amend CP A.5.5 that it requires (on a "comply or explain" basis) the board to state in the circular to shareholders accompanying the resolution to elect the director:

- (i) the process used for identifying the nominee;
- (ii) the perspectives, skills and experience that the person is expected to bring to the board; and
- (iii) how the nominee would contribute to the diversity of the board.

Yes

No

Please give reasons for your views.

This seems too many unnecessary detail to shareholders and lengthy the circular which become environmental unfriendly as the circular need to be printed out. The nomination process is normally to look for director candidate for every possible sources and then go through nomination committee and the board. I don't think there will be any added value information can be provided to shareholders. If shareholders have any question about director candidate, they can voice out in the general meeting or if they have any disagreement, they can vote down the re-election of director.

4. Do you agree with our proposal to amend Mandatory Disclosure Requirement L.(d)(ii) to reflect the upgrade of CP A.5.6 (on a "comply or explain" basis) to a Rule (Rule 13.92) requiring issuers to have a diversity policy and to disclose the policy or a summary of it in their Corporate Governance Reports?

Yes

No

Please give reasons for your views.

Factors affecting INED's independence

A. Cooling off periods for former professional advisers

5. Do you agree with our proposal to revise Rule 3.13 (3) so that there is a three-year cooling off period for professional advisers before they can be considered independent, instead of the current one year?

Yes

No

Please give reasons for your views.

I think 2 years should be more appropriate

6. Do you agree with our proposal to revise CP C.3.2 (on a "comply or explain" basis) so that there is a three-year cooling off period for a former partner of the issuer's existing audit firm before he can be a member of the issuer's audit committee?

Yes

No

Please give reasons for your views.

I think 2 years should be more appropriate

B. Cooling off period in respect of material interests in business activities

7. Do you agree with our proposal to revise Rule 3.13(4) to introduce a one-year cooling off period for a proposed INED who has had material interests in the issuer's principal business activities in the past year?

Yes

No

Please give reasons for your views.

C. Cross-directorships or Significant Links with other Directors

8. Do you agree with our proposal to introduce a new Recommended Best Practice A.3.3 (i.e. voluntary) to recommend disclosure of INEDs' cross-directorships in the Corporate Governance Report?

Yes

No

Please give reasons for your views.

10. Do you agree with our proposal to adopt the same definition for "immediate family member" as Rule 14A.12(1)(a) which defines an "immediate family member" as "his spouse, his (or his spouse's) child or step-child, natural or adopted, under the age of 18 years"?

Yes

No

Yes

No

Please give reasons for your views.

This sentence can give director a clear guideline that they should attend the general meetings.

Chairman's annual meetings with INEDs

13. Do you agree with our proposal to revise CP A.2.7 (on a "comply or explain" basis) to state that INEDs should meet at least annually with the chairman?

I think the dividend policy to be disclosed in the web page of the company should be sufficient but not in annual report as which will not be amend frequently and can be more environmental friendly in order to avoid lengthy the annual report.
