PART I: INDEPENDENT NON-EXECUTIVE DIRECTORS

PAR	I I: INDEPENDENT NON-EXECUTIVE DIRECTORS
Over	boarding and INED's time commitment
1.	Do you agree with our proposed amendment to Code Provision ("CP") A.5.5 (on a "comply or explain" basis) so that in addition to the CP's current requirements, the board should also explain, if the proposed independent non-executive director ("INED") will be holding his seventh (or more) listed company directorship, why he would still be able to devote sufficient time to the board?
	□ No
	Please give reasons for your views.
	Where an INED nominee holds a number of listed company directorships within the same listed group, such multiple directorships should be treated as one directorship and the relevant director should not be considered overboarded for the purpose of the proposed CP. This should be clarified in the guidance proposed to be issued by the Exchange.
