PAR'	T I: INDEPENDENT NON-EXECUTIVE DIRECTORS
Over	boarding and INED's time commitment
1.	Do you agree with our proposed amendment to Code Provision ("CP") A.5. (on a "comply or explain" basis) so that in addition to the CP's currer requirements, the board should also explain, if the proposed independer non-executive director ("INED") will be holding his seventh (or more) liste company directorship, why he would still be able to devote sufficient time to the board?
	☐ Yes
	No
	Please give reasons for your views.
	The focus of disclosure should be put on the proposed INED's capability, experience and contribution to the issuer rather on the number of directorships he/she holds.
Boar	d diversity
2.	Do you agree with our proposals to upgrade CP A.5.6 (on a "comply of explain" basis) to a Rule (Rule 13.92) requiring issuers to have a diversit policy and to disclose the policy or a summary of it in their corporat governance reports?
	□ No
	Please give reasons for your views.
	It was noted the increasing importance of board diversity as a factor for investors in making their investment decisions. It was noted the CP has been introduced for quite

some time and it would be an appropriate time now to upgrade the CP to a rule.

3.	Do you agree with our proposal to amend CP A.5.5 that it requires (on a "comply or explain" basis) the board to state in the circular to shareholders accompanying the resolution to elect the director:
	<ul> <li>(i) the process used for identifying the nominee;</li> <li>(ii) the perspectives, skills and experience that the person is expected to bring to the board; and</li> <li>(iii) how the nominee would contribute to the diversity of the board.</li> </ul>
	□ No
	Please give reasons for your views.
	This will enhance transparency and allow shareholders to make informed voting decisions.
4.	Do you agree with our proposal to amend Mandatory Disclosure Requirement L.(d)(ii) to reflect the upgrade of CP A.5.6 (on a "comply or explain" basis) to a Rule (Rule 13.92) requiring issuers to have a diversity policy and to disclose the policy or a summary of it in their Corporate Governance Reports?
	□ No
	Please give reasons for your views.
	Same as question 2 above.

	One-year cooling off period should be sufficient.

	□ No

	The proposed one-year cooling off period strikes a balance between international best practice and practical issues of reducing the pool of available INEDs.
C.	Cross-directorships or Significant Links with other Directors
8.	Do you agree with our proposal to introduce a new Recommended Best Practice A.3.3 (i.e. voluntary) to recommend disclosure of INEDs' cross-directorships in the Corporate Governance Report?

9.	Do you agree with our proposal to introduce a Note under Rule 3.13 to encourage inclusion of an INED's immediate family members in the assessment of the director's independence?

	Please give reasons for your views.
	The proposed amendments are in line with the independence assessments adopted in other countries.
10.	Do you agree with our proposal to adopt the same definition for "immediate family member" as Rule 14A.12(1)(a) which defines an 'immediate family member" as "his spouse, his (or his spouse's) child or step-child, natural or adopted, under the age of 18 years"?

	This gives a standard definition of "immediate family member".
