As an employee of ANZ I also believe that gender balance makes good business sense, and seeks to achieve a gender-balanced workforce. ANZ developed programs and initiatives to drive change, such as Notable Women, the Corporate Sustainability and Diversity Committee sets annual targets for improving the representation of women in management, to help to create a more diverse and inclusive workforce. Through this approach, we are seeing incremental improvements. Our targets, and progress against them are published annually.

ANZ is also proud to be an Employer of Choice for Gender Equality, as awarded by the Australian Workplace Gender Equality Agency (WGEA). In accordance with the Workplace Gender Equality Act 2014, ANZ publicly reports to WGEA annually.
