**Question 1**

**Do you agree with the proposal to amend Chapter 17 to also govern share award schemes involving the grant of new shares of listed issuers?**

No

**Please provide reasons for your views.**

The share award scheme aims to provide incentives to participants for generating growth to to the company. Further restrictions on such scheme may discourage both grant and acceptance of such awards. Both participants and the Company would eventually negotiate for cash rewards which would result immediate actual cash outflow to the listed issuer. It may lead suppliers, employees and/or people who have potential contribution to the listed issuer, having less incentive to participate in the company's growth and promote a more short term relationship.

**Question 2**

**Do you agree with the proposed definition of eligible participants to include directors and employees of the issuer and its subsidiaries (including persons who are granted shares or options under the scheme as an inducement to enter into employment contracts with these companies)?**

No

**Please provide reasons for your views.**

irrelevant.

The grant of share option/ awarded shares may or may not serve as an inducement to enter into employment contracts. this flexibility should not be restricted by the definition of eligible participants

**Question 3**

**Do you agree with the proposal that eligible participants shall include Service Providers, subject to additional disclosure and approval by the remuneration committee?**

No

**Please provide reasons for your views.**

this does not fall into the general scope and terms of reference of remuneration committee

**Question 4**

**Do you agree with the proposal that eligible participants shall include Related Entity Participants, subject to additional disclosure and approval by the remuneration committee?**

No

**Please provide reasons for your views.**
