1. Do you agree with the proposal to add a Rule to require trading suspension if an issuer has published a preliminary annual results announcement and its auditor has issued, or has indicated that it will issue, a disclaimer or an adverse opinion on the issuer's financial statements?

Yes

No

If your answer is "No", please give reasons for your views.

Trading suspension does not allow investors to sell their shares after result announcement and auditor's disclaimer or adverse opinion, making them in a unfavorable position. In addition, investors should be able to make a reasonable judgement on a disclaimer or an adverse opinion and then make their investment decisions. If there is any wrongdoing by company management or directors, SFC can intervene.

2. Do you agree with the proposed Rule 13.50A to require the issuer to address the issues giving rise to the disclaimer or adverse opinion, provide comfort that a disclaimer or adverse opinion in respect of such issues would no longer be required, and disclose sufficient information for investors to assess its updated financial position before trading resumption (as described in paragraph 32 of the Consultation Paper)?

Yes

No
