1. Do you agree with the proposal to add a Rule to require trading suspension if an issuer has published a preliminary annual results announcement and its auditor has issued, or has indicated that it will issue, a disclaimer or an adverse opinion on the issuer's financial statements?

Yes

No

If your answer is "No", please give reasons for your views.

This new rule is unfair to an individual investor who has already invested to those stocks. i.e. to force an individual to lose all investment totally without any chance for recovery.

2. Do you agree with the proposed Rule 13.50A to require the issuer to address the issues giving rise to the disclaimer or adverse opinion, provide comfort that a disclaimer or adverse opinion in respect of such issues would no longer be required, and disclose sufficient information for investors to assess its updated financial position before trading resumption (as described in paragraph 32 of the Consultation Paper)?

Yes

No

If your answer is "No", please give reasons for your views.

Retify action to the issuer is beneficial to public. Suspension / delisted is not a protection to individual investors. On the contrary, it's damaging to the market.
