**Joint Consultation Paper on Proposed Enhancements to The Stock Exchange of Hong Kong Limited's Decision-Making and Governance Structure for Listing Regulation.**

Date: 11 September 2016.

Dear Sir/Madam,

**RE: Composition and Procedures of Listing Regulatory Committee**

After my study and understanding of the "Proposed Enhancements to The Stock Exchange of Hong Kong Limited's Decision-Making and Governance Structure for Listing Regulation", I am writing to oppose the joint consultation paper, especially regarding the composition of Listing Regulatory Committee (LRC).

The proposed "enhancements" will give SFC all-encompassing control in Regulatory Listing matters, with power concentrated in a few hands instead of an Elected Committee from different respectable bodies. The proposed "enhancements" will take away the most important part of check and balance between Securities and Future Commission and Hong Kong Exchange as in the existing structure.

I believe Hong Kong is a well established Financial Metroplian City, the Control in Regulatory Listing matters CANNOT be powered by only a few people. This will seriously damaged Hong Kong well established reputation. The Proposed "Enhancements" should be suspended.
