Dear SFC and HKEX,

**Objection to Consultation Paper on Proposed Enhancements to the
Exchange's Decision-Making and Governance Structure for Listing Regulation**

I am an investor based in Hong Kong. I object to the proposed changes. I don't see how creating 3 layers of committees would make it more efficient and effective. I do not see the need to change the current regime which has been working well. Instead of changing the regulation, enforcement should be strengthened tackle all kinds of wrongdoings.

Yours faithfully,

Sara Qian
