

Dear Sirs,

**Re: Consultation Paper on Proposed enhancements to the Exchange's
Decision-Making and Governance Structure for Listing Regulation**

I find that the proposal as set out in the Consultation Paper on the proposed changes to the Decision-Making and Governance Structure for Listing Regulation of the Stock Exchange of Hong Kong Limited (the "Stock Exchange") not agreeable as it lacks of check-and-balance and all powers will then be concentrated by the hands of the SFC. More importantly, I think the reorganization of listing function has no real jurisdiction over market misconduct and the proposal is not necessary and shall be withdrawn in its entirety.

Thank you for your kind attention.

Yours faithfully,
