Registration Form for HKSCC Report Access Platform (RAP)

To : Hong Kong Exchanges and Clearing Limited ("HKEX")
6/F, Two Exchange Square, 8 Connaught Place, Central, Hong Kong
Email: cs_cps_cc@hkex.com.hk   CCASS Hotline: (852) 2979 7111

From :

_____   _____
(Full Name of Participant)   HKSCC Participant ID

_____   _____
Name of Contact Person   Position

_____   _____
Email Address   Contact No

Important Notes:

1. Please refer HKSCC Report Access Platform (RAP) Technical Guide via HKEX website for technical details such as SSH keys standard and IP address requirement.

2. Please DO NOT attach Private Key in the zip file Xnnnnn.zip to HKSCC for registration. Clearing Participants should keep their Private Key confidential to prevent unauthorized usage.

3. Package public key file, fingerprint file and IP addresses (per steps 1, 2, 3) using zip utility according to the naming convention Xnnnnn.zip (where Xnnnnn is the Participant ID), together with the completed & duly signed Registration Form.

4. Clearing Participants must renew the public key **every two years**.

5. HKSCC RAP client workstations' IP addresses must be within the same subset of SDNet/2 for HKSCC.

SDNet IP addresses subnet	
10.135.0.0/16	10.176.0.0/16
10.136.0.0/16	10.177.0.0/16
10.137.0.0/16	10.178.0.0/16
	10.179.0.0/16

I.   RAP User ID Registration

We hereby request HKSCC to setup a RAP User ID for retrieval of reports and data files according to the following procedures as prescribed by HKSCC.

Please "✓" against each of the following steps to confirm completion.

☐	1. The Public Key file is saved with file name of **Xnnnnn001.pub**, where Xnnnnn is the Participant ID of our company
☐	2. The Public Key Fingerprint file is saved with file name of **Xnnnnn001.fpt**
☐	3. The IP addresses of each HKSCC RAP client workstation are filled in the excel template and saved with file name of **Xnnnnn_IP address template.xls**
☐	4. All files in steps 1, 2 and 3 are zipped into a zip folder name as **Xnnnnn.zip** (sample zip file)
☐	5. The zip folder together with this duly signed form are submitted to HKEX at cs_cps_cc@hkex.com.hk with email subject: **HKSCC RAP – Xnnnnn (RAP User ID Registration)**

[Optional]

☐   6. Subscription to RPF Folder, *for retrieval of Risk Parameter Files only*
    Note: File downloading time will vary based on the bandwidth of your SDNet line. Please ensure you have adequate bandwidth when you subscribe to the RPF folder. You may refer to the RAP technical guide for the estimated download time for different SDNet lines. If necessary, please contact your network service provider for the cost of bandwidth upgrade required.

II. Update RAP User ID details

Please "✓" where update is required.

RAP User ID	RAP client workstations	
	Public key	**IP addresses**
|_|_|_|_|_|_|_| |_0_|_0_|_1_| Participant ID	☐ (Xnnnnn001.pub)	☐ Workstation 1 From _____ Change to _____ ☐ Workstation 2 From _____ Change to _____

[Optional]

☐ Subscription to RPF Folder, *for retrieval of Risk Parameter Files only*

> *Note: File downloading time will vary based on the bandwidth of your SDNet line. Please ensure you have adequate bandwidth when you subscribe to the RPF folder. You may refer to the RAP technical guide for the estimated download time for different SDNet lines. If necessary, please contact your network service provider for the cost of bandwidth upgrade required.*

The zip folder (if any) together with this duly signed form are submitted to HKSCC at cs_cps_cc@hkex.com.hk with email subject: **HKSCC RAP – Xnnnnn (Update RAP User ID details)**
