Please be reminded that minimum margin rates are for your firm's financially strongest clients. Exchange Participants should set their margin requirements according to each client's individual circumstances.

For Participants who decide to use PC-SPAN<sup>1</sup> to calculate the margin requirements of these products, please be reminded to update the Organisation Master File **on or before Monday, 19 July 2021**. Participants may choose to update the Organisation Master File via one of the following alternatives:

1. Replace the existing Organisation Master File with the latest one available on the HKEX website.

This file contains up-to-date parameters of all HKEX products cleared by the HKCC and SEOCH only and does not carry parameters of other exchanges and clearing houses; or

2. Replace the existing Organisation Master File with the one posted on the Chicago Mercantile Exchange (CME) website.

The file available on the CME website is maintained by the CME. Please refer to advisory notices published by the CME from time to time for the update time of the file; or

3. Manual input via the PC-SPAN interface.

Participants should use this alternative only as a last resort to avoid potential human errors during the manual process.
