## 通告 CIRCULAR

**Subject: Orion Cash Platform: Enhancement of CCMS Report Download – Reminder and Practice Session**

**Enquiry: DCASS Hotline: 2979 7222<sup>1</sup> / Email: [clearingpsd@hkex.com.hk](mailto:clearingpsd@hkex.com.hk)**

Reference is made to the circular dated 27 March 2025 ([PT/SCS/HKCC/083/2025](#)) regarding the enhancement of Common Collateral Management System (“CCMS”) Report Download (the “Enhancement”). Clearing Participants (“CPs”) are reminded to take note of the following arrangements:

1. The official name of Report Retrieval Solution will be aligned with a similar platform for securities market as Report Access Platform (“RAP”). Download of CCMS reports will be enhanced to use Secure File Transfer Protocol (“SFTP”) and made available via RAP in the 2<sup>nd</sup> half of July 2025 (tentative date). The Enhancement is **compulsory**, intended to replace the report download functions of CCMS Terminal and is **applicable to all CPs**. A three-month parallel run period will be provided for report download via RAP and CCMS Terminal, and the report download functions of CCMS Terminal **will be de-commissioned in Q4 2025** (tentative date). The Enhancement and its implementation timeline are subject to regulatory approval.
2. CPs are **required** to plan for the Enhancement, thoroughly read and understand the Migration Guide along with related circulars and technical documents available on the [OCP webpage](#), and are strongly recommended to participate in the optional practice session (please refer to the section below for details).
3. The Security Management reports are not included in the scope of the Enhancement. These reports will remain accessible through the Security Management functions of CCMS at <https://www.ccass.com/dms>.

<sup>1</sup> All calls to and from the Participant General Enquiry Hotline may be recorded. HKEX privacy policy Statement is available [here](#).

4. An online briefing video about the Enhancement has been available on the [OCP webpage](#) since 16 April 2025.
5. Registration of new RAP accounts for accessing CCMS reports through the e-Service, TECHS 8 in [Client Connect](#) has been open since 12 May 2025. For new RAP accounts that are intended to be effective before the optional practice session, please submit new registration requests with the remark “for CCASS and CCMS Reports Practice Session” **on or before 30 May 2025**.
6. Please be reminded to **complete the questionnaire “Enhancement of CCASS and CCMS Report Download – Questionnaire (HKCC & SEOCH)” via the “Event” section in [Client Connect](#) promptly if it has not been completed, as the deadline is 30 May 2025.**

#### Practice Session Arrangement

In order to allow CPs to become familiar with using the RAP to download CCMS reports, and to verify their connectivity to RAP’s secondary data centre, Hong Kong Exchanges and Clearing Limited (“HKEX”) will arrange an optional practice session as below:

Date	Time	Site	Registration Deadline
21 June 2025 (Saturday)	14:00 – 16:00	Secondary Data Centre	13 June 2025
	18:00 – 19:00	Primary Data Centre (for verifying connectivity and successful restoration only)	

CPs are highly recommended to participate in the practice session to ensure their readiness for downloading CCMS Report via RAP. CPs who decide to participate in the practice session are required to **register via the “Event” section in Client Connect on or before 13 June 2025**. Detailed activity rundown and preparation is set out in the Information Package of the Appendix section for reference.

CPs are advised to coordinate with their IT teams and/or system vendors for necessary planning and preparation. For any enquiries, please contact our DCASS hotline at 2979 7222 or email to [clearingpsd@hkex.com.hk](mailto:clearingpsd@hkex.com.hk).

## 1. Introduction

Under the Orion Cash Platform (“OCP”) programme, Central Clearing and Settlement System (“CCASS”) and Common Collateral Management System (“CCMS”) Report Download across the Securities and Derivatives Markets (“the Enhancement”) will be made available via Report Access Platform (“RAP”). External stakeholders (“Stakeholders”) are **required** to plan for the Enhancement and subsequent de-commissioning of report download functions of CCASS/CCMS Terminal in Q4 2025.

To facilitate the adoption of the Enhancement, Hong Kong Exchanges and Clearing Limited (HKEX) will arrange an optional Practice Session on Saturday, 21 June 2025 for helping Stakeholders become familiar with downloading CCASS and CCMS reports via RAP prior to the implementation. The following Stakeholders are **strongly encouraged** to participate in the Practice Session:

- HKSCC Participants other than Investor Participants (i.e. Clearing Agency Participants, Custodian Participants, Direct Clearing Participants, General Clearing Participants, Stock Lender Participants and Stock Pledgee Participants)
- Designated Banks of HKSCC
- HKCC Participants
- SEOCH Participants

This Information Package aims to help Stakeholders in planning and preparing for the Practice Session. Stakeholders are advised to review this document thoroughly and undertake necessary preparations prior to participating in the session. Additionally, Stakeholders should share this document with their IT support teams or system vendors to ensure appropriate technical setup and support are available before and during the Practice Session.

## 2. Objective and Scope

### 2.1 Objective

The objective of the Practice Session is to help Stakeholders become familiar with using the RAP to download CCASS and CCMS reports, perform health checks on downloading VaR Platform and DCASS reports if applicable, and to verify their connectivity to RAP’s secondary data centre for contingency purposes. The Practice Session is optional for Stakeholders.

### 2.2 Scope

Practice Session will include:

- Connection to secondary data centre
- CCASS / CCMS report download familiarization, and VaR Platform / DCASS report download verification

- Resume connection to primary data centre after completing the familiarization and verification in secondary data centre

### 3. Important Notes to Stakeholders

#### 3.1 Technical Setup for the Practice Session

Stakeholders must ensure connectivity setting to the following HKEX RAP IP addresses and that the network configuration (e.g. firewall) are ready.

Part 1 (secondary data centre)

HKEX RAP IP addresses at secondary data centre	
HKSCC RAP IP Addresses and Port	10.243.66.141 port 18801 10.243.66.142 port 18801
HKCC & SEOCH RAP IP Addresses and Port	10.152.14.141 port 18801 10.152.14.142 port 18801

Part 2 (primary data centre)

HKEX RAP IP addresses at primary data centre	
HKSCC RAP IP Addresses and Port	10.243.2.141 port 18801 10.243.2.142 port 18801
HKCC & SEOCH RAP IP Addresses and Port	10.151.14.141 port 18801 10.151.14.142 port 18801

Stakeholders please **DO NOT** renew SSH keys during the Practice Session.

#### 3.2 Preparation and Execution for the Practice Session

Stakeholders should note the following arrangements for the preparation and execution of the Practice Session:

**Preparation:**

- Ensure registration of the Practice Session via the event section on [Client Connect](#) on or before Wednesday, 13 Jun 2025.
- Stakeholders should check and ensure the connectivity from the registered RAP server or client workstation(s) to HKEX RAP IP addresses in both primary and secondary data centres have been configured prior to the start of the Practice Session.

- iii) Stakeholders should ensure their SSH public keys are valid and registered.
- iv) Stakeholders can apply for new RAP user accounts that will be effective before the Optional Practice Session, please refer to the Migration Guide for detailed arrangements. Stakeholders who wish to test new RAP user accounts in the practice session should ensure the accounts setup are ready prior to the Practice Session. The new RAP user accounts will be ready for connectivity test from 9 Jun 2025 onwards.
- v) Stakeholders should ensure that the emails and contact numbers of the designated contact persons for the Practice Session are reachable in order to receive emergency messages from HKEX during the Practice Session.
- vi) Stakeholders should ensure RAP user accounts are functioning and operational as no account administrative services will be provided during the Practice Session.
