Hong Kong Exchanges and Clearing Limited (“HKEX”) is pleased to provide comprehensive information regarding the enhancement of Common Collateral Management System (“CCMS”) Report Download across the Securities and Derivatives Markets (the “Enhancement”). Through the Enhancement, the official name of Report Retrieval Solution for Derivatives Market will be aligned with a similar platform for Securities Market, becoming Report Access Platform (“RAP”), effective from the implementation of the Enhancement.

The RAP will be enhanced to enable download of CCMS reports using the Secure File Transfer Protocol (“SFTP”) in mid to late July 2025 (tentative date).
