通告 CIRCULAR

Subject: Reminder to Participants on Access to HKATS Risk Functions - Pre-Trade Risk Management ("PTRM") System in Derivatives Market after Security Patch Deployment

Enquiry: HKATS Hotline¹ Tel: 2211-6360

Hong Kong Exchanges and Clearing Limited ("HKEX") plans to apply security patch for certificates renew in PTRM in HKATS on 4 May 2024, Saturday. Participants are reminded that in order to access PTRM after the security patch deployment, all previous Java Cache(s) must be cleared per dedicated PC. Any attempts to login PTRM Graphical User Interface ("PTRM GUI") without deleting Java Cache(s) of the previous versions will be unable to launch the application. The functions and layout of the PTRM GUI will remain unchanged after Participants have deleted Java Cache(s) of previous versions and successfully logged into with the updated version. The security patch deployment will not impact other accesses to HKATS.

Participants are advised to delete all previous Java Cache(s) before the trading day on 6 May 2024, Monday for a successful access to PTRM. In order to allow Participants to access PTRM with the updated version of Java Cache(s). Participants are highly recommended to act accordingly with the following timetable and join the connectivity session held between 15:00 and 18:00 on 4 May 2024, Saturday:

¹ All calls to the HKATS hotline would be recorded. Please refer to the following link for HKEX privacy policy statement: http://www.hkex.com.hk/Global/Exchange/Privacy-Policy?sc_lang=en

Date	Action
By 30 April 2024,	Complete the enrolment form for a connectivity session: Click here to
Tuesday	<u>register</u>
By 3 May 2024,	Clear the Java Cache(s) per dedicated PC immediately after the completion
Friday	of PTRM related operations (i.e., after the close of Day Session or AHT
	Session, where appropriate). Detailed instructions are set forth in Appendix
	1
4 May 2024,	Verify the updated version by logging in PTRM GUI with production login ID
Saturday	and password
15:00 - 18:00	
(Connectivity	
Session)	
6 May 2024,	Clear the Java Cache(s) per dedicated PC before logging in PTRM GUI if
Monday and after	the action is not done before 6 May 2024, Monday
