HKD traded units, RMB traded units and USD traded units of Premia China ETF (collectively the "Units") will be admitted into CCASS as Multi-counter Eligible Securities (as defined in the General Rules of CCASS) with effect from the commencement date of listing and dealing of the Units on The Stock Exchange of Hong Kong Limited ("Exchange"), which is expected to be on 28 July 2021.

Units will be traded on the Exchange under multiple counters as follows:

Counter	Stock Code	Stock Short Name	Trading Currency	Board Lot Size
HKD	03151	PREMIA STAR50	HKD	200 units
RMB	09151	PREMIA STAR50-U	RMB	200 units
USD	83151	PREMIA STAR50-R	USD	200 units

Units under the HKD counter, RMB counter and USD counter will be treated as three separate Eligible Securities in CCASS. CCASS Participants are advised to note the following arrangements in CCASS:

1. Inter-counter Transfer of Multi-counter Eligible Securities within CCASS

CCASS Participants will be able to effect inter-counter transfer of the Units between the HKD counter, the RMB counter and USD counter on a one to one basis within CCASS by either inputting a "Multi-counter Transfer Instruction" before 3:45 p.m. or uploading the transfer instruction to CCASS before 2:30 p.m. through CCASS Terminals. The instruction will be effected immediately if the relevant number of the Units to be transferred is available in the CCASS Participant's delivering stock account in CCASS. Otherwise, the instruction will be processed in the next batch transfer run (five batch transfer runs available daily at around 9:15 a.m., 10:15 a.m., 12:30 p.m., 2:30 p.m. and 3:30 p.m.). If the relevant number

of the Units to be transferred is subsequently available at or before the commencement of batch transfer run, the instruction will be effected during the batch transfer run. Any outstanding instruction will be automatically cancelled by the system after the last batch transfer run at 3:30 p.m. on the same day. In such case, CCASS Participants are required to re-submit a "Multi-counter Transfer Instruction" should the relevant Units be subsequently available in their delivering stock accounts between 3:30 p.m. and 3:45 p.m.

CCASS Participants are also requested to note that there must be sufficient number of Units to be transferred in their specified delivering stock account for any instruction input between 3:30 p.m. and 3:45 p.m. in order for the instruction to be accepted by CCASS. Otherwise, such instruction will be rejected immediately.

HKSCC will charge HKD5 for each effected Multi-counter Transfer Instruction.

For detailed operational procedures, please refer to sections 5.17 and 8.2.13 of CCASS Terminal User Guide for Participants. CCASS Participants are required to log on to Client Connect to access the Terminal User Guide.

2. Custodian Services in relation to the Units

All Units are issued in uncertificated form. Accordingly, no physical deposit or withdrawal services will be provided for the Units and any CCASS Rules relating to physical deposit and withdrawal of securities will not be applicable.

Units may be credited to and debited from a CCASS Participant's Stock Account as a result of (a) creation and redemption application for Units accepted by the Manager, (b) clearing and settlement of transactions in Units effected on the Exchange, and (c) the provision of any other CCASS services in relation to the Units to CCASS Participants.

3. Legal Title of the Units

Units held in CCASS will be registered in the name of HKSCC Nominees Limited on the register of the Premia China ETF. The register of the Premia China ETF is the evidence of ownership of Units.

HKSCC Nominees Limited shall have the legal title of all the Units held in CCASS. Save as otherwise provided in the CCASS Rules, HKSCC has no proprietary interests in the Units to the extent that they are credited to the Stock Accounts of CCASS Participants.

4. Clearing and Settlement of the Units

Same as other CCASS Eligible Securities, the Exchange Trades of the Units will be cleared inside CCASS and settled on T+2 under Continuous Net Settlement ("CNS") system unless they are isolated from the CNS system by both trading counterparties or by HKSCC and

settled on a trade-for-trade ("TFT") basis.

Exchange trades executed under the respective counters will be cleared and settled in CCASS as three individual stocks. After netting under the CNS system, there will be one CNS stock position for the HKD counter, one CNS stock position for the RMB counter and one CNS stock position for the USD counter. There is no inter-counter position netting. CCASS Participants should ensure sufficient Units are available in their stock accounts to settle their CNS short positions on T+2 under respective counters.

RMB traded units of Premia China ETF will be eligible for the RMB Equity Trading Support Facility ("TSF") upon listing. Updated "List of TSF Stocks" can be found at http://www.hkex.com.hk/Global/Exchange/FAQ/Featured/RMB-Readiness-and-Services/RMB-Equity-Trading-Support-Facility?sc_lang=en.

5. Applications for the creation and redemption of Units

The procedures for the creation and redemption of the Units, and the rights and obligations of Participating Dealers in respect of such creation and redemption, will be governed by the trust deed and the prospectus constituting the Premia China ETF in which the application for the creation and redemption of Units shall be made by or through Participating Dealers directly to the Manager. Applications for the creation and redemption of Units through HKSCC are not available.

6. Nominee Services in relation to the Units

HKSCC will provide nominee services for the Units as three individual stocks.

7. CCASS Fees and Charges

Fees and charges for the Units under multiple counters will be payable by CCASS Participants in accordance with the General Rules of CCASS and CCASS Operational Procedures. For the avoidance of doubt, the maximum dividend collection fee of HKD10,000 (or its equivalent in RMB) will apply to the aggregate dividend amount of the three counters per currency.

8. Arrangement for transfer of Units out of CCASS when the Units cease to be CCASS Eligible Securities

In the event that the Units cease to be Eligible Securities of CCASS, HKSCC shall give notice to its CCASS Participants specifying the date on which the Units shall become or cease to be Eligible Securities. HKSCC may cease to render services in respect of the Units and may require CCASS Participants to transfer the Units out of CCASS.

For CCASS Participants who have records of the Units in CCASS as of the date the Units become CCASS non-eligible, HKSCC will arrange with the CCASS Participants, the Trustee and the Registrar of the Premia China ETF to register the names of such CCASS Participants as holders of the relevant Units on the Register. HKSCC will on the same day debit the respective Unit holdings from the relevant CCASS Participants' stock accounts

under advice to the CCASS Participants concerned. The Trustee will give confirmations in writing to each of the CCASS Participants to whom the Units are transferred confirming the date of transfer, the number of Units transferred, the due registration of the name of the CCASS Participant as holder of the relevant number of Units upon completion of transfer. Any expenses or charges incurred in respect of such transferring of the Units out of CCASS and registering the names of CCASS Participants as holders of the relevant Units on the Register shall be borne by the Premia China ETF.

For further information about the Multiple Counter Arrangement, CCASS Participants may refer to the prospectus of Premia China ETF available at (<https://www1.hkexnews.hk/listedco/listconews/sehk/2021/0722/2021072201041.pdf>).

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.
