Exchange and CCASS Participants are requested to note that Lippo Investments Management Limited (the “Manager”) has issued an Announcement and Notice on the HKEXnews website (<https://www1.hkexnews.hk/listedco/listconews/sehk/2021/1119/2021111900488.pdf>) concerning the proposed cessation of trading, termination, voluntary deauthorisation and delisting and the non-applicability of certain provisions of the Code on Unit Trusts and Mutual Funds (the “Announcement and Notice”).

Capitalized terms used herein shall have the same meanings set out in the Announcement and Notice unless the context otherwise requires.

According to the Announcement and Notice, the Last Trading Day of the Terminating ETF on The Stock Exchange of Hong Kong Limited (the “SEHK”) will be 13 December 2021, after which the Terminating ETF will no longer be traded on the SEHK. The expected Deauthorisation and Delisting of the Terminating ETF will be shortly after on or around 14 February 2022.

Upon Deauthorisation and Delisting of the Units, the Terminating ETF will no longer be subject to Hong Kong regulation by the Securities and Futures Commission (the “SFC”) nor recognized as the eligible securities in Central Clearing and Settlement System (“CCASS”) by Hong Kong Securities Clearing Company Limited (“HKSCC”).

Exchange and CCASS Participants should inform and liaise with their clients as soon as possible to take any appropriate action(s). Potential course of action(s) to be taken by investors on or before the Last Trading Day are briefly mentioned below.

Potential actions to be taken by investors on or before the Last Trading Day

1. Trading on the SEHK up to and including the Last Trading Day (i.e. from now up to and including 13 December 2021)

On any trading day up to (and including) the Last Trading Day, an investor may continue to buy or sell its Units on the SEHK in accordance with the usual trading arrangements, during the trading hours of the SEHK and based on the prevailing market prices. The market makers of the Terminating ETF (collectively the “Market Makers”) will continue to perform their market making functions in accordance with the Rules of the Exchange of the SEHK until the Trading Cessation Date. These Exchange Trades will be cleared inside CCASS and automatically settled on a Continuous Net Settlement (CNS) basis as usual unless they are isolated from the CNS System by the counterparty Exchange Participants at the time of trade or isolated from the CNS System by HKSCC, in which case such trades will be settled on a trade-for-trade (TFT) basis.

2. Holding Units after the Last Trading Day

For investors who are still holding Units as of the Distribution Record Date (i.e. By close of business on 16 December 2021) (such investors, the “Relevant Investors”), the Manager will, after consulting the Trustee and the Terminating ETF’s auditor, determine the Distribution payable to the Relevant Investors. Such Distribution is expected to be made on or around 14 January 2022.

Each Relevant Investor will be entitled to share in the Distribution pro rata to the number of Units held by such investor relative to the total number of Units still in issue in the Terminating ETF as at the Distribution Record Date.

The Distribution payable to each Relevant Investor is expected to be paid on or around 14 January 2022 to the accounts of its financial intermediary or stockbroker maintained with CCASS, based on the Trustee’s record as at the Distribution Record Date. The Manager will issue a further announcement to inform the Relevant Investors of the exact day of payment of the Distribution, together with the amount of Distribution per Unit for the Terminating ETF in due course.

The Manager does not expect or anticipate there will be a further distribution after the Distribution. However, in the unlikely event there is a further distribution after the Distribution, the Manager will issue an announcement informing the Relevant Investors.

The Distribution and any further distribution will be calculated and paid in the base currency (i.e. Hong Kong dollars) of the Terminating ETF.

IMPORTANT NOTE: If an investor disposes of its Units at any time on or before the Last Trading Day, such investor will not in any circumstances be entitled to any portion of the Distribution or further distribution (if any) in respect of any Units so disposed. Investors should therefore exercise caution and consult their professional and financial advisers before dealing in their Units or otherwise deciding on any course of actions to be taken in relation to their Units.

Exchange/CCASS Participants are urged to:

- forward a copy of the Announcement and Notice to each of their clients (including any new investors) holding any Units, and inform them of the contents of the Announcement and Notice as soon as possible;
- assist those clients who want to dispose of Units on or before the Last Trading Day;
- inform their clients as soon as possible if any earlier dealing deadline, additional fees or charges, and/or other terms and conditions will be applicable in respect of the provision of their services in connection with any disposal of Units; and
- inform their clients of the distribution arrangements as set out in the Announcement and Notice and the possible impact in relation to such arrangements to their clients.

If you have any questions in relation to the contents of the Announcement and Notice, please direct them to your stockbrokers or financial intermediaries or contact the Manager by calling +852 2867 6717 during normal business hours (except Hong Kong statutory holidays), or visiting the Manager's website <https://www.lippo-im.com/>.
