## 通告 CIRCULAR

Subject: VaR Platform - Renewal of Public Key for Report Retrieval via Report Access Platform  
Enquiry: CCASS Hotline: 2979 7111 / Email: [clearingps@hkex.com.hk](mailto:clearingps@hkex.com.hk)

Clearing Participants (CPs) are reminded that the public keys required to download reports generated by VaR Platform via Report Access Platform (RAP) are valid for two years. As the first registration was started two years ago, some of the CPs' keys should have already expired or will soon expire. CPs will not be able to retrieve the reports through RAP when the keys are expired. CPs would need to regularly check the KEY\_MANAGEMENT folder as an expiry warning message will be available 14 calendar days before the expiry date.

CPs are required to refer to Section 5.2 of [HKSCC Report Access Platform Technical Guide](#) for procedures to renew the keys. In case any of the private key is lost or damaged, CPs should generate a new set of keys, register and submit the new public key, public key fingerprint in the RAP Registration and Maintenance Form (eService: TechS 8) via HKEX Client Connect for re-registration.

CPs are highly recommended to coordinate with their IT teams and/or system vendors for necessary procedures. For any enquiries or expiry date of public keys, please contact our hotline at 2979 7111 or email to [clearingps@hkex.com.hk](mailto:clearingps@hkex.com.hk).

Irene Lee  
Senior Vice President  
Clearing Risk Management

*This circular has been issued in the English language with a separate Chinese language translation. If there is any conflict in the circulars between the meaning of Chinese words or terms in the Chinese language version and English words in the English language version, the meaning of the English words shall prevail.*
