The securities market operated by the Stock Exchange will be closed for business on 7 to 10 April 2023. To assure that safeguards are in place against market risk during this period when some of the major markets are open, pursuant to the CCASS Operational Procedures Section 10.10A.5, an intra-day Margin call will be made on **6 April 2023**. ### **Calculation and Collection of Intra-day Margin**

1. Intra-day Margin<sup>1</sup> will be calculated based on all pending CNS stock positions at **around 2:00 p.m. on 6 April 2023**. The computation of intra-day Margin is the same as day-end Margin except that due/overdue CNS stock positions will be excluded from the computation.
2. For the intra-day Margin call, HKSCC will only collect the shortfall on Margin from CPs and there will be no refund of surplus cash over Margin.

All intra-day Margin shortfall will be collected by issuing Direct Debit Instructions to Designated Banks as part of the CCASS money settlement process to be settled via the evening interbank bulk settlement run on 6 April 2023.

### **Payment obligation of Intra-day Margin**
