With reference to our Exchange circular (Ref. No.: [CT/101/17](#)) dated 18 December 2017, to further assist Exchange Participants (EPs) to familiarize themselves with OTP-C, an additional half-day practice session will be arranged **on 20 January 2018 (Saturday)**. Participation in the practice session is **optional**. Interested EPs are required to complete and return the enrollment form ([Attachment 1](#)) to HKEX **on or before 15 January 2018**.

EPs who wish to use New Securities Trading Device (NSTD) should contact and pre-arrange with ET Trade Limited (Tel: 2880 8601), and EPs relying on information vendors to provide market data for trading should also liaise with them for their support.

Similar to the previous practice session held on 6 January 2018 (last Saturday), this session will simulate system failover of OTP-C from primary site to backup site. Participating EPs are required to follow activity rundown ([Attachment 2](#)) and contingency arrangements ([Attachment 3](#)) during the session.
