通告 CIRCULAR

Subject: **Arrangement of New Securities Trading Device**

Enquiry: **Participant General Enquiry Hotline¹ (Tel : 2840 3626 E-mail : trd@hkex.com.hk)**

In 2014, HKEX arranged with ET Trade Limited (ET Trade) to provide New Securities Trading Device (NSTD, also known as ET Trade Speed Station (ETTSS)) and related support services to Exchange Participants (EPs) at a fixed price, and a standard set of terms and conditions for a period of 5 years. EPs are free to choose ETTSS or any other Broker Supplied System (BSS) solutions available in the market for their connection to the trading system of Hong Kong securities market.

Upon expiry of the above mentioned arrangement on 7 November 2019, HKEX decides to extend the arrangement with ET Trade for about 3 years to 31 December 2022 (the Extended Period). By the end of the Extended Period, ETTSS will be fully transitioned into an independent software vendor (ISV) solution offered and managed solely by ET Trade thereafter.

Please note ET Trade has proposed service fee adjustments for the Extended Period. Existing ETTSS users are advised to review their business needs, and applicable terms of current contract, and contact ET Trade for the updated service details promptly. EPs are also reminded to inform HKEX if there is any change to their subscribed Orion Central Gateway (OCG) session(s).
