**Enquiry: Participant General Enquiry Hotline<sup>1</sup> (Tel : 2840 3626 E-mail : [trd@hkex.com.hk](mailto:trd@hkex.com.hk))**

The Exchange is pleased to announce that a new China Connect Monthly Throttle (CC MT) Subscription Scheme is launched today 6 February 2020 (Thursday). The new scheme allows China Connect Exchange Participants (CCEPs) to subscribe standard China Connect Central Gateway (CCCG) throttle rate(s) from the Exchange on a calendar monthly basis.

The CC MT Subscription Scheme aims to provide more flexibility on throttle subscription for meeting CCEPs' short-term business needs, while the existing additional CCCG throttle sales scheme will remain unchanged and available for CCEPs' regular use.

Key features of the CC MT Subscription Scheme include:

- Subscription fee is set at HK\$2,000 per CC MT rate per calendar month without any one-time application fee;
- Maximum subscription for each CCEP will be 5 throttle rates, or 100% of its CCCG throttle rates acquired from the Exchange, whichever is higher;
- CCEPs need not to renew their CC MT rate subscription(s); they can terminate by serving advance notice to the Exchange in accordance with requirements stated in the application form; and
- CCCG monthly (tiered) user fee for each CCCG session, calculated based on the number of throttle rates assigned to a particular session, will include CC MT rate(s) as part of the total capacity calculation.
