Pursuant to the rights issue timetable issued by Capital Finance Holdings Limited ("Capital Finance"), Capital Finance's shares (stock code: 8239) will be marked "ex-rights" on 28 January 2021, the Ex-Rights Date. Shareholders, investors and market participants should read the Capital Finance's announcements, circulars and prospectus documents in full including the terms and conditions of the rights issue of Capital Finance in dealing with Capital Finance's shares. If they are in doubt, they should consult their professional adviser(s).

The unadjusted previous closing price will instead be displayed in the free text field. Calculation of the Adjusted Previous Closing Price will be based on Capital Finance's closing price on 27 January 2021 (i.e. last cum-rights trading day) and by using the following standard adjustment formula for rights issue generally.

#### Adjustment Formula:

Adjusted Previous Closing Price  
=  $[(\text{Closing Price on the last cum-rights trading day} \times Y) + (S \times X)] \div (X + Y)$

where:

S = Subscription price per rights share, i.e. HK\$0.135

X = Number of rights shares a shareholder is entitled to subscribe when he/she holds Y existing shares on the record date, i.e. 2 rights shares

Y = Number of existing shares a shareholder has to hold on the record date for entitling him/herself to subscribe for X rights shares, i.e. 1 share

Note: Price adjustment for rights issue will not be made and the previous closing price will remain unchanged on ex-rights date when the subscription price is higher than the closing price of the shares on the last cum-rights trading day.
