According to the Announcement, the expected Last Trading Day of the Hong Kong Shares on the SEHK will be 19 August 2021, after which the Hong Kong Shares will no longer be traded on the SEHK.

The expected Deauthorisation and Delisting of each Sub-Fund will take effect either on the Termination Date (i.e. on or before 8 December 2021) or shortly after the Termination Date.

Upon Deauthorisation and Delisting of the Sub-Funds, the Sub-Funds will no longer be subject to regulation by the Securities and Futures Commission (the “SFC”) nor recognized as the eligible securities in Central Clearing and Settlement System (“CCASS”) by Hong Kong Securities Clearing Company Limited (“HKSCC”).

Exchange and CCASS Participants should inform and liaise with their clients as soon as possible to take any appropriate action(s). Potential course of action(s) to be taken by investors on or before the Last Trading Day are briefly mentioned below.

Potential actions to be taken by investors on or before the Last Trading Day

1. *Trading on the SEHK up to and including the Last Trading Day (i.e. from now up to and including 19 August 2021)*

On any trading day up to and including the Last Trading Day, an investor may continue to buy or sell Hong Kong Shares on SEHK in accordance with the usual trading arrangements currently in place during the trading hours of SEHK and based on the prevailing market prices. In accordance with the requirement of SEHK, market maker(s) shall continue to provide liquidity in accordance with the Rules of the Exchange to facilitate the trading of Hong Kong Shares on SEHK. These Exchange Trades will be cleared inside CCASS and automatically settled on a Continuous Net Settlement (CNS) basis as usual unless they are isolated from the CNS System by the counterparty Exchange Participants at the time of trade or isolated from the CNS System by HKSCC, in which case such trades will be settled on a trade-for-trade (TFT) basis.

2. *Holding Hong Kong Shares after the Last Trading Day*

For Relevant Investors who are still holding Hong Kong Shares as of the Hong Kong Record Date (i.e. By close of business on 25 August 2021), the Redemption Proceeds resulting from such Compulsory Redemption of each Terminating Share Class will be paid to them on or before 9 September 2021 (“the Hong Kong Payment Date”) to the account of such investor’s financial intermediary or stockbroker maintained with CCASS.

Any Further Redemption Proceeds Distribution in respect of a Sub-Fund payable to Relevant Investors is expected to be paid on or before 6 December 2021 to the account of such investor's financial intermediary or stockbroker maintained with CCASS, based on the Management Company's records as at the Hong Kong Record Date. The Management Company will issue an announcement on or before 4 November 2021 informing the investors of the amount and the payment date.

If there is any change, including to the dates mentioned in this section, the Management Company will issue an announcement informing the Relevant Investors.

IMPORTANT NOTE: If Shareholders dispose of their holdings in the Hong Kong Shares of any Sub-Fund at any time on or before the Last Trading Day, they will not, in any circumstances, be entitled to any portion of the Redemption Proceeds or any further amount payable resulting from the Compulsory Redemption in respect of any such Shares so disposed. Investors should exercise caution and consult with their professional and financial advisers before dealing in the Hong Kong Shares or otherwise deciding on any course of action to be taken.

Exchange/CCASS Participants are urged to:

- forward a copy of the Announcement to their clients holding Hong Kong Shares, and inform them of the contents of the Announcement as soon as possible;
- assist their clients who want to dispose of Hong Kong Shares on or before the Last Trading Day;
