通告 CIRCULAR

Subject: Compliance Bulletin (Issue No. 8) – (1) Restricting Mainland Investors from Northbound Trading under Stock Connect, (2) Hong Kong Investor Identification Regime (“HKIDR”), (3) Stock Connect Northbound BCAN (“NB BCAN”) requirements, and (4) 2023 Self-attestation of Compliance Questionnaire

Enquiry: HKIDR: OTPC@hkex.com.hk
Others: surveillance@hkex.com.hk

As part of our continuous efforts to promote transparency and a compliance culture in our marketplace, the Exchange has prepared this Compliance Bulletin to offer the industry a better understanding of our enforcement work and regulatory expectations. It serves as a reminder on some salient points in relation to (1) Restricting Mainland Investors from Northbound Trading under Stock Connect; (2) HKIDR; (3) NB BCAN requirements; and (4) the 2023 Self-attestation of Compliance Questionnaire.

(1) Restricting Mainland Investors from Northbound Trading under Stock Connect

Reference is made to the circulars issued by the Exchange dated 24 June 2022 (Ref. No.: [CT/088/22](#)), 29 September 2022 (Ref. No.: [MSM/010/2022](#)) and 2 June 2023 (Ref. No.: [CT/069/23](#)) on matters in relation to restricting Mainland investors from Northbound trading under Stock Connect. China Connect Exchange Participants and Trade-through Exchange Participants (collectively, “CCEPs”) are requested to note that the 1-year transitional period will end soon. Specific operational arrangements after the transitional period, i.e. with effect from 24 July 2023, are summarized in the attachment for CCEPs’ reference.

(2) HKIDR

HKIDR has been launched since 20 March 2023. The Exchange would like to remind Exchange Participants (“EPs”) and other Relevant Regulated Intermediaries¹ (“RRIs”) of their obligations to comply with all applicable requirements under the relevant rules and regulations, including the Rules of the Exchange (“SEHK Rules”), the [Frequently Asked Questions on Broker-to-Client Assigned Number \(BCAN\) Submission and Order Tagging Related Topics \(“FAQ”\)](#) and the Code of Conduct

¹ Relevant Regulated Intermediary means a relevant licensed or registered person as defined in paragraph 5.6(b)(xiv) of the SFC Code of Conduct.

for Persons Licensed by or Registered with the Securities and Futures Commission (“SFC”). In addition, EPs and RRIIs are strongly advised to refer to Question G-1 of the FAQ and the summary table attached to this circular for a better understanding of the key differences between HKIDR and the Northbound Stock Connect Investor ID Regime.

(3) Stock Connect NB BCAN requirements

During our recent inspection under the 2023 Annual Attestation and Inspection Programme, it was observed that CCEPs may have misunderstanding and/or deficiencies in relation to the handling of the below NB BCAN requirements:

(i) Lack of adequate control over data accuracy regarding NB BCAN assigned to clients of a CCEP’s affiliates

Reference is made to the [Compliance Reminder on China Connect Rules](#) published on 28 February 2023. Some CCEPs on-boarded their non-EP affiliates as their clients where BCANs were assigned to the affiliates’ underlying clients as required under Rule 1425A(1)(d) of the SEHK Rules. However, they did not put in place adequate control to ensure data accuracy on those BCANs concerned, leaving the data inaccuracy issue at the affiliates level undetected.

(ii) Incorrect use of BCAN Error Report

To comply with the requirements under Rule 1425A(7) of the SEHK Rules, CCEPs should complete the BCAN Error Report for Shanghai/Shenzhen Connect when the executed trades were found to have been tagged with wrong BCANs, and that errors of other kinds for Shanghai/Shenzhen Connect should be filed separately. However, it was noted that some CCEPs have mistaken that BCAN Error Report was used for reporting their error trades (e.g. wrong input of order quantity / price) instead of reporting correction of BCAN to the Exchange.

The Exchange would like to remind CCEPs of their obligations to comply with all applicable NB BCAN requirements under the SEHK Rules, including but not limited to Rule 1425A. In particular, CCEPs should have proper control in place to ensure the data included in their BCAN-CID Mapping Files, including the BCANs assigned to their own clients as well as their affiliates clients, submitted to the Exchange are accurate and fully comply with all other relevant requirements.

CCEPs are strongly encouraged to make reference to the publications on the [HKEX Rule Enforcement webpage](#) and provide regular training to their staff members and where necessary, the responsible staff of their affiliates involved in tasks pertaining to China Connect Rules to ensure they fully understand the applicable NB BCAN requirements. CCEPs are also expected to put in place appropriate workflow or arrangement with their affiliates to ensure that any data and information submitted by them for the compilation of the BCAN-CID Mapping Files subsequently submitted to the Exchange are accurate. Failing to do so may render the CCEPs liable for consequences arising from any BCAN inaccuracies.

(4) 2023 Self-attestation of Compliance Questionnaire (“Questionnaire”)

(i) Questionnaire Submission

Reference is made to the circular dated 9 June 2023 (Ref. No.: [MSM/006/2023](#)) of the captioned subject. Under the Annual Attestation and Inspection Programme 2023, all Participants² are required to submit a duly completed Questionnaire via the Electronic Communication Platform (“ECP”)³ at <https://ecp2.hkex.com.hk/> by **21 July 2023**.

The Questionnaire and the ECP User Guide are available on the [HKEX Rule Enforcement webpage](#).

(ii) Update of shareholding information

According to the responsibilities set out under CCASS Rule 1703(viii), HKCC Rule 214A and/or SEOCH Rule 403F, Clearing Participants (“CPs”) are required to submit to HKSCC, HKCC and/or SEOCH an updated shareholding information under the following scenarios:

- (a) On an annual basis.
- (b) Subsequent to any reorganization of the CP’s corporate group.
- (c) Following a change of 10% or more in the share capital or voting rights of the CP (including any change in the interest of an existing shareholder who holds an interest (direct or indirect) of 10% or more in the share capital or voting rights of the CP and any new shareholder acquiring an interest (direct or indirect) of 10% or more in the share capital or voting rights of the CP).

For scenario (a) above, the submission should be made by the CP through completing the relevant section of the Questionnaire.

For scenarios (b) and (c) above, the submission should be made through ClearingCreditRisk@hkex.com.hk as soon as practicable using the template provided in the latest attestation submission pack. In particular, for a shareholding information update that includes change of a CP’s name, we expect the submission of the shareholding information update to reach us by no later than one day before the date of the CP name change.

² Including, (i) Exchange Participants of The Stock Exchange of Hong Kong Limited and Hong Kong Futures Exchange Limited; (ii)(a) Clearing Participants and General Clearing Participants of HKFE Clearing Corporation Limited; (ii)(b) Direct Clearing Participants, General Clearing Participants and Custodian Participants of Hong Kong Securities Clearing Company Limited; and (ii)(c) Direct Clearing Participants and General Clearing Participants of The SEHK Options Clearing House.

³ The ECP has been migrated to an enhanced version since April 2022. For Participant applying for the first time to be an ECP user, please contact us at ecpadmin@hkex.com.hk or 2840 3933 for setup arrangements. For Participant who already has an ECP account, the account creation for its individual business users shall be handled by the Participant’s designated Delegated Administrator.

The Exchange would like to point out that the requirements and examples set out in this compliance bulletin are by no means exhaustive and Participants should always take into consideration their own circumstances and adopt appropriate internal controls and measures to ensure compliance with the relevant rules and requirements.

Participants are strongly advised to review their current set up and implement appropriate measures to strengthen their controls. Any identified non-compliance incidents should be reported to the Exchange as soon as practicable.

Participants are also encouraged to contact the Market Surveillance and Monitoring Department (email: surveillance@hkex.com.hk) should they have any questions on the above.
