¹ All calls to the HKATS and DCASS hotlines would be recorded. Please refer to the following link for HKEX privacy policy statement: https://www.hkex.com.hk/global/exchange/privacy-notice?sc_lang=en

The pro-forma list of stock option classes available for trading from the Commencement Date is set forth in Attachment I. For details of the contract specifications, please refer to [Appendix B: Options Contract Specifications](#) of the Operational Trading Procedures for Options Trading Exchange Participants of the Stock Exchange.

Strike Prices

In order to offer more choices for investors, 20 strikes above and below HKD 62.5 (which is nearest to the maximum offer price of the underlying stock) will be available for trading on the Commencement Date (see Attachment II).

Position Limits for New Stock Option Class

The position limit for LSP stock option contracts will be 150,000 open contracts in any one market direction for all expiries, combined.

Market Making for New Stock Option Class

The Exchange now invites applications for market maker permits. Interested parties should complete Form [OP004](#) and submit the application to HKEX Client Services Department.

During the first two week of trading (i.e. between **Thursday, 9 July 2026** and **Friday, 17 July 2026**, both days inclusive), the market maker obligations, in terms of the maximum bid / ask spread, will be two times of the original obligations².

Pre-launch Arrangements for New Stock Option Class

The following pre-launch arrangements will be implemented on **Wednesday, 8 July 2026** (i.e. one business day before the Commencement Date):

- a. option series of the monthly expiries of the new stock option class will be created under the **existing market code “20” in HKATS Matching Engine 1**; and option series of the weekly expiries of the new stock option class will be created under the **existing market code “18” in HKATS Matching Engine 1**. They will be displayed, but not tradable; and
- b. the risk parameter files (“RPF”), clearing and open interest reports on new stock option class will be generated.

The purpose of the generation of RPF one business day before the Commencement Date is to assist Participants in estimating the margin requirements for the new stock option class trading on the Commencement Date.

Please note that the margin requirements estimated using the RPF available after the settlement process on the business day before the Commencement Date may not be the same as the actual amounts required on the Commencement Date. HKEX and its subsidiaries accept no liability whatsoever for any loss or damage arising from or in connection with the use of the information contained in such RPF. Participants who wish to use the above-mentioned RPF are reminded to

² Error Trade, Large-Scale Error Trade Price Parameters and Block Trade Permissible Price Range calculation will reference liquidity level 3 obligations until the next review of liquidity levels.

update the PC-SPAN Organisation Master File. For details, please refer to the relevant Clearing House circular to be issued in due course.

Trading Information for New Stock Option Class

The access codes of information vendors will be posted on the HKEX website in due course.

Inform Staff and Clients

Exchange Participants should notify all interested clients about the introduction of new stock options. In addition, all your staff should be fully aware of the above and should exercise caution when dealing with new stock option contracts, and when advising your clients. Please also ensure that your back office systems are operationally ready.

Investors should also be aware that some stock options have market makers signed up while others do not. Availability of market makers, depending on their sign-up, may also change from time to time. The availability of market makers will be updated on the [HKEX website](#) from time to time. Investors should exercise due caution in trading stock options without market makers and understand the liquidity risk involved. They would have to trade against other investors with opposite views when they open or close their stock option positions.
