Please be advised that pursuant to Section 2.6.2 of the Clearing House Procedures of HKFE Clearing Corporation Limited (HKCC) and Section 10.4.3.1 of the Operational Clearing Procedures of The SEHK Options Clearing House Limited (SEOCH), the Clearing Houses have determined to adjust the haircut on RMB deposited as margin collateral from 2.6% to **2.9%** after the close of business on **7 December 2020**. This haircut shall be applied on a daily basis to determine the value of any RMB allowed to be used as cover for the margin requirements of HKCC and/or SEOCH participants for contracts with settlement currency prescribed other than in RMB.

Participants should make necessary funding arrangements to cover any shortfall to their margin requirements resulting from the adjustment of the RMB haircut.
