通告 CIRCULAR

Subject: Download and Upgrade of Google Chrome Browser for DCASS Online

Enquiry: DCASS Hotline: 2979 7222 / Email: clearingpsd@hkex.com.hk

Currently, the official supporting browser for DCASS Online is Google Chrome version **124.0.6367.119** ("Current Version").

To align with the update of Google Chrome, Clearing Participants ("CPs") are required to download the available **Google Chrome for Windows version** from the following link **on 11 November 2024 during 9:00 a.m. to 12:00 noon Hong Kong Time** ("11 November Version"):

<https://chromeenterprise.google/download/?modal-id=download-chrome#windows-download>

CPs should pay attention to the followings:

1. Circular will be issued to notify CPs when they can start to install this 11 November Version;
2. Prior to installing the 11 November Version, CPs are strongly recommended to backup the Google Chrome installer of the Current Version. By keeping a backup of the previously-verified installer, CPs can ensure that a reliable and stable Google Chrome version is available at all times. This can help to minimize any disruption to CPs' clearing activities; and
3. **CPs may not be able to login DCASS if the Google Chrome version of their DCASS Online are not complied with HKEX's requirement as prescribed from time to time.**

CPs are highly recommended to coordinate with their IT teams and/or system vendors for necessary preparation. For any enquiries, please contact the DCASS hotline at 2979 7222 or email to clearingpsd@hkex.com.hk.
