

CCMS Terminal Backup Facilities

CCMS TERMINAL BACKUP FACILITIES

Backup facilities for CCMS or CCASS/3 Terminal (collectively called “C3T”) will be provided to Participants at the Back-Up Centre. Participants can use the Back-Up Centre to continue the normal CCMS or CCASS functions in the event of breakdown of their own C3Ts. All functions, such as input, enquiry and report printing, will be provided. Request for usage of more than one C3T and access to the Back-Up Centre is subject to availability. Notification of breakdown of Participants’ C3T to Technical Hotline and the completion of ‘Request for Back-up Facility Form’ prior to use the Back-up Centre are required.
