

CCASS/3 Terminal Backup Facilities

CCASS/3 TERMINAL BACKUP FACILITIES

CCASS/3 Terminal backup facilities will be provided to Participants at the Back-Up Centre. Participants can use the Back-Up Centre to continue the normal CCASS functions in the event of breakdown of their own CCASS/3 Terminals. All CCASS functions, such as input of DIs, ATIs and SIs; enquiry functions and report printing, will be provided. Request for accessing the Back-Up Centre to use the CCASS/3 Terminal is subject to availability. Notification of breakdown of Participant's CCASS/3 Terminal to CCASS Technical Hotline and the completion of 'Request for Back-up Facility Form' prior to the use of the Back-up Centre is required.
