

## **Attachment 3 : OTP- C Test Rundown for New HSN Connectivity Test**

Time	Activities					
Friday (26 JUL 2019)						
After 17:00	For all OCG/BSS sessions, ensure change, if any, to network configuration is properly completed					
	Ensure all OCG/NSTD/BSS components (including network routers) are powered on after trading hours					
	Ensure the production database of in-house / back-office systems are properly backed-up					
	For those BSS which are not going to participate in the test, ensure that each of these BSS is not connected to the OCG, to avoid receiving the testing data					
	For all existing production BSS, please do not input any next day requests after trading hours on Friday (i.e., requests intended for submission to OTP-C on the following trading day, since next day requests will be submitted to OTP-C during the Rollout Test and will not be available on the following trading day).					
Saturday (27 J	UL 2019)					
HSN Connecte	ed to New Firewalls and Network Switches
