If there are any inconsistencies between the Licence Agreement and this note, the provisions of this note shall prevail. Accordingly, market data licensees shall be bound to acknowledge and observe the following terms and conditions notwithstanding any provisions to the contrary in the Licence Agreement:

Market data licensees by receiving the Index Information from HKEX-IS are deemed to have acknowledged such rights and to have agreed to comply with the stipulations and obligations below and not to do any act inconsistent with such rights.

Market data licensees shall not use or disseminate the Index Information except as set forth below.

Redistributable Index Information

- 2.1 Market data licensees are permitted to use the Redistributable Index Information received from HKEX-IS (directly or indirectly) for their internal use and to disseminate such information at no charge to their Subscribers or Indirect Connection Licensees (if applicable) for their internal use only and not for further dissemination.

3. HKEX-IS and CSIC do not guarantee the accuracy and/or completeness of the Index Information, nor do they give any express or implied warranties with respect to the Index Information.
