

OMD Free Trial Program

OMD Free Trial Program aimed to promote the subscription of OMD real-time datafeeds and historical full book data by encouraging client firms to experience faster and deeper depth market data from OMD via direct connection with HKEX and to trial the historical full book data.

During the program, client firms could enjoy 3 months of real-time and historical market data free of charge with details as below:

OMD Real-time Datafeeds

- Applicable to new client firms to trial OMD Premium and FullTick datafeeds via direct connection (or via a dedicated connection through information vendors). The datafeeds are for internal use only and not for redistribution purpose.
- New client firms refer to those who have not signed up for the OMD datafeeds that they apply to have free trial in the past 12 months.
- Client firms are still required to sign an End-User Licence Agreement and to contact the Hosting Service Team directly for HSN/HSTN subscription, if applicable.
