

Operation Procedures for Trading Fee

OPERATION PROCEDURES FOR TRADING FEE

Unless the context otherwise requires, the terms used in these Operation Procedures shall have the same meanings as contained in the Rules of the Exchange.

Exchange Participants

- (13) Notwithstanding Clause (3) above, the Trading Fee, in relation to transactions in a particular Market Making Security concluded by an Exchange Participant acting in the capacity as a Securities Market Maker for such Market Making Security, may be exempted in whole or in part by the Board as it may from time to time think fit.
