 - (b) Subject to Rule 14A06(8)(c) and any sellable balance adjustments made for the purpose of pre-trade checking under the HKSCC Rules:
 - (i) the total number of shares/units which can be the subject of SPSA orders in respect of each China Connect Security in a Special Segregated Account on a CSC trading day shall not exceed the total securities holding position in respect of the same China Connect Security as shown in the relevant Special Segregated Account referred to in Rule 14A06(7A) immediately before the commencement of operation of the China Connect Service on that CSC trading day; and
 - (ii) the total number of shares/units which can be the subject of Master SPSA orders in respect of each China Connect Security in the Special Segregated Accounts which are mapped to a Master SPSA ID on a CSC trading day shall not exceed the aggregate securities holding position in respect of the same China Connect Security as shown in all the Special Segregated Accounts mapped to the assigned Master SPSA ID referred to in Rule 14A06(7B) immediately before the commencement of operation of the China Connect Service on that CSC trading day.
 - (c) In respect of overdue short securities positions in China Connect Securities of a China Connect CCASS Clearing Participant under the CNS

System which are outstanding for settlement on the due date where such China Connect CCASS Clearing Participant is a China Connect Exchange Participant, HKSCC will request the Exchange to deduct the overdue short securities position quantities from the sellable balances of such China Connect CCASS Clearing Participant on the next CSC trading day, and if such China Connect CCASS Clearing Participant is a CCASS GCP of any China Connect Exchange Participant(s), from the sellable balances of each of such China Connect Exchange Participant(s) on the next CSC trading day. If such overdue short securities positions are, or are alleged by such China Connect CCASS Clearing Participant to be, caused in whole or in part by an SPSA Delivery Failure, the sellable balances of such China Connect CCASS Clearing Participant, and/or the relevant China Connect Exchange Participant(s) and the relevant Special Segregated Accounts will be adjusted in accordance with the HKSCC Rules. In the event of an SPSA Delivery Failure under a Master SPSA ID, the sellable balance with respect to the relevant China Connect Securities that were the subject of the SPSA Delivery Failure or the sellable balances of all the China Connect Securities under such Master SPSA ID may be reduced to zero on the next CSC trading day or for such longer period in accordance with the HKSCC Rules.

- (d) Any China Connect sell order input by a China Connect Exchange Participant which may, upon execution, exceed the relevant total securities holding positions mentioned in Rule 14A06(8)(a) or (b) above will (subject to Rule 14A06(8)(c) and any sellable balance adjustments made for the purpose of pre-trade checking under the HKSCC Rules) be rejected.
- (9) To enable the Exchange and the SEHK Subsidiary to apply the pre-trade checking procedures, HKSCC will, in accordance with the HKSCC Rules and subject to Rule 14A06(8)(c) and any sellable balance adjustments made for the purpose of pre-trade checking under the HKSCC Rules, reproduce and replicate the securities holding records of the CCASS stock accounts (both client and house account positions) referred to in Rules 14A06(6) and (7) and the Special Segregated Accounts referred to in Rule 14A06(7A) and Rule 14A06(7B), and transmit the information to the CSC before the commencement of operation of the China Connect Service on each CSC trading day. Each China Connect Exchange Participant agrees to and authorizes the reproduction, replication and transmission of its securities holding records as mentioned above for the purpose of enabling the Exchange and the SEHK Subsidiary to carry out the pre-trade checking procedures. In respect of Special Segregated Accounts (whether under SPSA ID or Master SPSA ID), each China Connect Exchange Participant who is authorized to execute on behalf of its clients (including the Master SPSA Holder where applicable) sale of China Connect Securities in the Special Segregated Accounts, acknowledges and confirms that its clients (including the Master SPSA Holder where applicable) have authorized the reproduction, replication and transmission of the securities holding records of the Special Segregated Accounts as mentioned above for the purpose of enabling the Exchange and the SEHK Subsidiary to carry out the pre-trade checking procedures.

- (10) Consistent with Rule 1421(2), China Connect Exchange Participants shall put in place appropriate arrangements to ensure that (a) in respect of an SPSA order, Rule 14A06(2A) will be complied with and in respect of a Master SPSA order, Rule 14A06(2B) will be complied with, respectively, before the placing of the order; and (b) in respect of a China Connect sell order (other than an SPSA order or a Master SPSA order), there are sufficient China Connect Securities in the relevant client account or house account, as applicable, within CCASS before placing the order for the account of their client or for their own account, as the case may be. Upon matching of a China Connect sell order on the SSE Market System, the relevant number of China Connect Securities recorded in the relevant account referred to in 14A06(8)(a) above or the relevant Special Segregated Account(s), as the case may be, will be used for securities settlement in accordance with the HKSCC Rules.

Input and cancellation of China Connect orders while a SSE Circuit Breaker is in effect

- (10A) (a) Unless otherwise determined by the Exchange, where the Circuit Breaker Provisions allow orders in respect of China Connect Securities to be received or transmitted to the SSE Market System during the period when a SSE Circuit Breaker is in effect, China Connect Exchange Participants may input China Connect orders through the China Connect Service during such period as usual. Notwithstanding this, China Connect Exchange Participants accept that imposition of a SSE Circuit Breaker on any SSE trading day will result in the suspension of trade execution through the SSE Market System as referred to in Rule 14A03(2A).
- (b) Unless otherwise determined by the Exchange, where the Circuit Breaker Provisions allow orders in respect of China Connect Securities to be cancelled during the period when a SSE Circuit Breaker is in effect, China Connect Exchange Participants may input order cancellation requests through the China Connect Service during such period as usual. Notwithstanding this, as is provided in Rule 1422, no China Connect order is regarded as cancelled unless and until a cancellation confirmation has been issued by the SSE Market System and neither the Exchange nor the SEHK Subsidiary shall have any liability in the event that a China Connect order which a China Connect Exchange Participant has required be cancelled is not cancelled for any reason whatsoever.

Suspension of trading on A shares and H shares

- (11) Where any H shares with corresponding A shares accepted as China Connect Securities are suspended from trading on the Exchange but the China Connect Securities are not suspended from trading on the SSE, the China Connect Service will normally remain available for routing China Connect sell orders and China Connect buy orders for such China Connect Securities to the SSE Market System for execution. The Exchange, however, reserves its discretion to restrict or suspend the China Connect Service for trading in such China Connect Securities and will publish an announcement on the HKEX website or through such other means as it considers appropriate accordingly. For the avoidance of doubt, the Exchange will restrict or suspend the China Connect

Service for trading in such China Connect Securities if it is so directed or required by a relevant governmental or regulatory body.

Review of Sales/Purchases

- (12) A China Connect Exchange Participant shall review all sales and purchases of China Connect Securities at the end of each SSE trading session on each CSC trading day and shall report any discrepancy, erroneous transaction or complaint to the Exchange at such time and in such manner as the Exchange may prescribe from time to time.

Trading of STAR shares

- (13) The Exchange may from time to time, as it may determine or as directed by the Commission, prescribe, change, supplement or remove any requirements, conditions, restrictions and arrangements in relation to the use of the China Connect Service for trading STAR shares through publication on the HKEX website or such other means as the Exchange considers appropriate. China Connect Exchange Participants shall comply with the requirements, conditions, restrictions and arrangements in all respects.
- (14)
 - (a) Except as provided in Rule 14A06(14)(b), only institutional professional investors are allowed to buy or sell STAR shares which are accepted as China Connect Securities (other than Special China Connect Securities which are eligible for sell orders only) through the China Connect Service.
 - (b) Where, as a result of any distribution of rights (including the right to subscribe for rights issues open offers) or entitlements, conversion, takeover, other corporate actions or special circumstances arising from China Connect Securities, China Connect Exchange Participants receive (whether as principal or agent for their client and whether or not such client is an institutional professional investor) through their or their China Connect CCASS Participant's account with HKSCC any STAR shares, China Connect Exchange Participants may sell such STAR shares which are accepted or designated by the Exchange as China Connect Securities under Rule 14A04(1) or Special China Connect Securities under Rule 14A05(3) through the China Connect Service.
- (15) Each China Connect Exchange Participant shall implement appropriate and effective measures and take reasonable steps to ensure compliance with Rules 14A06(13) and (14), including but not limited to (a) not accepting any instruction to buy STAR shares or inputting any China Connect buy order for STAR shares for any direct client of the China Connect Exchange Participant unless it is reasonably satisfied that the client is an institutional professional investor; and (b) where such client is (i) an intermediary (as defined in the Ordinance); or (ii) a person which carries on business outside Hong Kong in an activity in respect of which it is regulated overseas and which, if carried on in Hong Kong, would constitute a regulated activity under the Ordinance, requiring such client to ensure that only institutional professional investors are allowed to buy STAR shares which are accepted as China Connect Securities through the China Connect Service.

Quotas on SSE-listed Securities as China Connect Securities

- 14A07. (1) Pursuant to the Exchange's powers under Rules 1426 (discretion to prescribe quota limits and controls), 1427 (discretion to take actions to ensure compliance with quota controls) and 1428(2) (power to set price restrictions to block the input of artificial China Connect orders), the Daily Quota and quota monitoring and management provisions under Rules 14A07(2) to (14) shall apply.

Daily Quota

- (2) The Daily Quota shall apply to the trading of China Connect Securities through the use of the China Connect Service.
- (3) [Repealed]
- (4) [Repealed]
- (5) [Repealed]
- (6) The Daily Quota limits the maximum value of all the China Connect Securities Buy Trades that can be executed by all the China Connect Exchange Participants in respect of all the China Connect Securities through the China Connect Service on each CSC trading day. The Daily Quota Balance is monitored on a real-time basis during the operational hours and is calculated based on the following formula:

<p>Daily Quota Balance = Daily Quota – value of China Connect buy orders + value of China Connect Securities Sell Trades + value of China Connect buy orders that have been cancelled or rejected + difference between the execution price and the specified price in respect of those China Connect buy orders that have been executed at a better price than the specified price</p>

- (7) [Repealed]
- (8) The Daily Quota shall apply to each CSC trading day. Regardless of the level of the Daily Quota Balance at the end of a CSC trading day, the Daily Quota Balance will not be carried forward for utilization on the following or subsequent CSC trading days.
- (9) In respect of each CSC trading day, if the Daily Quota Balance drops to zero or below (i.e. if the Daily Quota is fully utilized):
- (a) during the SSE Opening Call Auction session and before commencement of the SSE Continuous Auction session in the morning at 9:30, China Connect buy orders input after the time at which the Daily Quota Balance drops to zero or below will not be accepted by the CSC, but China Connect buy orders input before such time will not be affected and will be transmitted by the CSC to the SSE Market System for execution in the usual manner. Only if the Daily Quota Balance resumes to a positive level before commencement of the SSE Continuous Auction session in the morning will new China Connect buy orders be accepted by CSC; and

(b) after commencement of the SSE Continuous Auction session in the morning at 9:30 and before the end of the SSE Closing Call Auction session (for A shares) or the end of the SSE Continuous Auction session in the afternoon (for SSE-listed ETFs) (as applicable) at 15:00, no China Connect buy orders will be accepted for the rest of the CSC trading day unless the Exchange otherwise determines, but China Connect buy orders input before the time at which the Daily Quota Balance drops to zero or below will not be affected and will be transmitted by the CSC to the SSE Market System for execution in the usual manner.

(10) For the avoidance of doubt:

(a) references in the formula in Rule 14A07(6) to “China Connect buy orders”, “China Connect Securities Buy Trades” and “China Connect Securities Sell Trades” do not include the value of any transaction fees, taxes, levies or stamp duties payable or collected in respect of such orders or trades; and

(b) only China Connect buy orders will be subject to quota controls under this Rule. Unless otherwise determined by the Exchange, China Connect sell orders will be accepted by the CSC during the operational hours of a CSC trading day and will not be affected by the level of the Daily Quota Balance.

(11) The following table summarizes the treatment of China Connect orders as described in Rules 14A07(6) to (10) depending on the Daily Quota Balance on a given CSC trading day:

	Daily Quota Balance drops to zero or below before 09:30	Daily Quota Balance drops to zero or below at or after 09:30
China Connect sell order	Accepted	Accepted
China Connect buy order submitted after the time at which the Daily Quota Balance drops to zero or below	Not accepted (unless and until the Daily Quota Balance becomes larger than zero before 09:30)	Not accepted for the rest of the CSC trading day (unless the Exchange otherwise determines pursuant to Rule 14A07(9)(b))
China Connect buy orders submitted before the time at which the Daily Quota Balance drops to zero or below	Not affected	Not affected

Quota Management

- (12) Pursuant to its power under Rule 1428(2) (power to set price restrictions to block artificial transactions), restrictions are set in CSC and the related system connections to block the input of China Connect buy orders of all China Connect Securities at a price lower than the reference price referred to in Rule 14A07(13) by a certain percentage prescribed by the Exchange from time to time.
- (13) Unless otherwise determined by the Exchange:
- (a) during the SSE Opening Call Auction session and the five minutes before the commencement of the SSE Opening Call Auction session on each CSC trading day, the reference price referred to in Rule 14A07(12) shall be (i) the current bid price of the relevant China Connect Security; and (ii) where no current bid price is available, the previous closing price of the China Connect Security;
 - (b) during the SSE Continuous Auction sessions (morning and afternoon) and the five minutes before the commencement of each SSE Continuous Auction session on each CSC trading day, the reference price referred to in Rule 14A07(12) shall be (i) the current best bid price of the relevant China Connect Security; (ii) where no current best bid price is available, the latest trade price of the relevant China Connect Security, and (iii) where the latest trade price is not available, the previous closing price of the relevant China Connect Security;
 - (ba) (for A shares only) during the SSE Closing Call Auction session on each CSC trading day, the reference price referred to in Rule 14A07(12) shall be (i) the current bid price of the relevant China Connect Security; (ii) where no current bid price is available, the latest trade price of the relevant China Connect Security, and (iii) where the latest trade price is not available, the previous closing price of the relevant China Connect Security; and
 - (c) where a SSE Circuit Breaker has been imposed, the reference price referred to in Rule 14A07(12) shall be (i) the current bid price of the relevant China Connect Security; (ii) where no current bid price is available, the latest trade price of the relevant China Connect Security, and (iii) where the latest trade price is not available, the previous closing price of the relevant China Connect Security.
- (14) If there is any change in the operational procedures relating to the quota limits and related arrangements as set out in this Rule 14A07, the Exchange will publish the details on the HKEX website or through such other means as the Exchange considers appropriate.

Shareholding Restrictions on China Connect Securities

- 14A08. (1) Under Rule 1430, the Exchange has absolute discretion to impose conditions or restrictions for the use of the China Connect Service for the purpose of ensuring that the trading of China Connect Securities will not contravene applicable laws or for any reasons which the Exchange considers appropriate. In light of the shareholding restrictions and forced sale requirements imposed

by the CSRC, SSE and applicable laws of Mainland China, the conditions and requirements set out in Rules 14A08(2) to (12) shall apply.

Shareholding limits on foreign investors

- (2) China Connect Exchange Participants shall comply, and shall make appropriate arrangements to ensure that their clients will comply, with the 10% individual shareholding limit in relation to A shares applicable to foreign investors (including Qualified Foreign Institutional Investors and RMB Qualified Foreign Institutional Investors approved under the applicable laws of Mainland China, and other investors using the China Connect Service) as stipulated in applicable laws of Mainland China including the CSRC regulations concerning Shanghai-Hong Kong Stock Connect. China Connect Exchange Participants shall put appropriate monitoring arrangements in place to comply with this Rule and to alert their clients to comply with the individual shareholding limit.
- (3) China Connect Exchange Participants shall note and understand the 30% aggregate shareholding limit in relation to A shares and the related forced-sale requirements applicable to foreign investors who invest in China Connect Securities as stipulated in applicable laws of Mainland China including the CSRC regulations concerning Shanghai-Hong Kong Stock Connect. China Connect Exchange Participants shall alert their clients to the 30% aggregate shareholding limit and the forced-sale arrangements under this Rule.

Shareholding Monitoring Procedures

- (4) Where foreign investors (including investors holding China Connect Securities through CCASS) hold 28% or more of the issued shares of a relevant issuer in aggregate, SSE will notify the SEHK Subsidiary, and the Exchange and SEHK Subsidiary will as soon as practicable thereafter suspend accepting China Connect buy orders in respect of the relevant China Connect Securities until the aggregate shareholding of foreign investors is reduced to below 26%, as advised by SSE.

Forced-sale Procedures

- (5) Notwithstanding Rule 14A08(4), where the aggregate shareholding of foreign investors (including investors holding through CCASS) in respect of a relevant issuer exceeds 30% of the issued shares of the issuer on an SSE trading day, SSE may, pursuant to the SSE Rules, issue a forced-sale notice to the SEHK Subsidiary on the following trading day, requiring it to arrange for a sell down of the portion of the China Connect Securities that exceeds 30% within 5 SSE trading days on a “last-in, first-out” basis (as determined in accordance with Rule 14A08(11)).
- (6) Upon receipt of a forced-sale notice under Rule 14A08(5), the SEHK Subsidiary will notify the relevant China Connect Exchange Participant(s) through the Exchange, requiring or directing them to, or arrange for their clients to, sell and liquidate the specified number of China Connect Securities within a period specified by the Exchange.

- (7) Upon receipt of the notice under Rule 14A08(6), the China Connect Exchange Participant shall comply with the notice, and where applicable, it shall issue a corresponding notice to the relevant client(s) or their custodian(s) requesting for the sale and liquidation of the number of China Connect Securities specified by the China Connect Exchange Participant within the period specified by the Exchange. If a client fails to comply with the China Connect Exchange Participant's notice, the China Connect Exchange Participant shall, if necessary, exercise its power to sell the specified number of China Connect Securities through the use of the China Connect Service on the client's behalf before expiry of the period specified by the Exchange.
- (8) China Connect Exchange Participants shall implement appropriate measures to enable them to comply with Rule 14A08(7) on a timely basis including entering into legally enforceable client agreements to facilitate compliance with the forced-sale arrangements referred to in that Rule.
- (9) Where a forced-sale notice is issued by SSE under Rule 14A08(5), no China Connect buy orders for the relevant China Connect Securities will be accepted by the CSC until SSE informs the SEHK Subsidiary or the Exchange that the aggregate foreign shareholding falls below 30%. China Connect sell orders for the relevant China Connect Securities will not be affected by a forced-sale notice.
- (10) If, within the 5-day period mentioned in Rule 14A08(5), the aggregate foreign shareholding is reduced to below 30% due to other foreign investors selling down the relevant shares, the SEHK Subsidiary may, on its own or upon request from a China Connect Exchange Participant referred to in Rules 14A08(6) and (7) apply for permission to hold the relevant shares without a sell down at such time and in such manner as the Exchange may prescribe from time to time.
- (11) The relevant China Connect Exchange Participants referred to in Rule 14A08(6) will be identified by the Exchange based on its or the SEHK Subsidiary's own records (which shall be final and conclusive) generally by reference to the time of purchase of the relevant China Connect Securities, on a "last in, first out" basis. Notwithstanding the foregoing, the Exchange has absolute discretion to determine which China Connect Exchange Participants and what quantity of China Connect Securities should be subject to a forced sale notice.
- (12) Where the 30% aggregate foreign shareholding limit is exceeded due to a share repurchase conducted by the relevant issuer, investors and China Connect Exchange Participants holding China Connect Securities through CCASS may continue to hold the relevant shares without being subject to a forced-sale. However, the SEHK Subsidiary and the Exchange will suspend acceptance of China Connect buy orders for those China Connect Securities until the aggregate foreign shareholding limit is reduced to below 26%.

Disclosure Obligations regarding China Connect Securities

- 14A09. China Connect Exchange Participants shall comply, and shall make appropriate arrangements to ensure that their clients will comply, with the 5% shareholding

disclosure requirement applicable to persons who invest in A shares under applicable laws of Mainland China. China Connect Exchange Participants shall put appropriate monitoring arrangements in place to comply with this Rule and to alert their clients to comply with the relevant disclosure requirements.

Compliance with applicable laws in Mainland China

14A10. As required by SSE, China Connect Exchange Participants shall:

- (1) comply, and advise their clients to comply, with SSE Rules (to the extent applicable to the trading of China Connect Securities in the SSE Market, and not inconsistent with these Rules and any regulations, requirements or conditions prescribed or published pursuant to these Rules) and laws and regulations of Mainland China relating to the use of the China Connect Service and the trading of China Connect Securities;
- (2) make adequate disclosure to their clients with regard to the risks associated with investing in China Connect Securities through appropriate arrangements including, without limitation, the risk that their instructions to trade in China Connect Securities may not be accepted and that they may be liable to regulatory investigations and the relevant legal consequences if they are in breach of or fail to comply with the SSE Rules and the laws and regulations referred to in this Rule 14A10;
- (3) acknowledge, and make appropriate arrangements to require their clients to acknowledge, that the Exchange has the power not to extend the China Connect Service to them, the power to require China Connect Exchange Participants not to accept instructions from them and the power to suspend or restrict China Connect Exchange Participants from inputting China Connect orders under any BCAN, if it is found that the China Connect Exchange Participant or any of its clients (as the case may be) has or may have committed any abnormal trading conduct set out in or fail to comply with the SSE Rules and the laws and regulations referred to in Rule 14A10(1);
- (4) acknowledge, and make appropriate arrangements to require their clients to acknowledge, that if the SSE Rules are breached, or if the disclosure and other obligations referred to in the listing rules of the SSE (including the rules of the SSE for stock listing on the SSE STAR Market and the rules of the SSE for ETFs listing on SSE ETF Market) or the SSE Rules are breached, SSE has the power to carry out investigations, and may, through the Exchange or the SEHK Subsidiary, require China Connect Exchange Participants to provide relevant information and materials (including the information and personal data of their clients and other persons referred to in Rules 537 and 1437) to assist in its investigation;
- (5) acknowledge that where there is a serious breach of the SSE Rules, SSE may request the Exchange to take appropriate regulatory actions or commence disciplinary proceedings against China Connect Exchange Participants, or request the Exchange to require China Connect Exchange Participants to issue warning statements (verbally or in writing) to their clients, and not to extend the China Connect Service to them or to their clients;

- (6) acknowledge, and make appropriate arrangements to require their clients to acknowledge, that the Exchange may (for the purpose of assisting SSE in its regulatory surveillance of the SSE Market and enforcement of the SSE Rules and as part of the regulatory cooperation arrangement between the Exchange, the SEHK Subsidiary and SSE), at the request of SSE, require China Connect Exchange Participants to provide information concerning their clients and other persons referred to in Rules 537 and 1437 with respect to any China Connect orders input or China Connect Securities Trades made or entered into by China Connect Exchange Participants on their behalf; and
- (7) for the purposes referred to in paragraphs (4) to (6), China Connect Exchange Participants shall authorize the Exchange (whether directly or through the SEHK Subsidiary) to disclose, transfer and provide information and personal data concerning their clients and other persons referred to in Rules 537 and 1437 to SSE upon request and shall make appropriate arrangements (including obtaining the relevant consents) to ensure that the relevant information and personal data may be disclosed, transferred and provided in compliance with applicable laws including the Personal Data (Privacy) Ordinance.

Fees and Taxes

- 14A11.
- (1) Pursuant to Rule 1429, the fees, charges, levies and taxes set out in Rules 14A11(2) and (3) shall be payable in respect of the trading of China Connect Securities.
 - (2) With respect to any fees, charges, levies and taxes which may be payable to SSE, the relevant China Connect Clearing House or the relevant governmental or regulatory bodies in Mainland China in respect of every purchase or sale of China Connect Securities executed through the China Connect Service, China Connect Exchange Participants shall pay to the Exchange such fees (including any handling fee, securities management fee and transfer fee), charges, levies and taxes, which will be published on the HKEX website or notified to China Connect Exchange Participants through such other means as the Exchange considers appropriate, for onward payment to SSE, the relevant China Connect Clearing House or the relevant governmental or regulatory bodies in Mainland China, as the case may be.
 - (3) Where SSE, the relevant China Connect Clearing House, any relevant governmental or regulatory body or applicable law imposes any other fees, charges, levies or taxes on or in relation to the sale and purchase of China Connect Securities which are required to be paid or collected by the Exchange, the SEHK Subsidiary and/or HKSCC, China Connect Exchange Participants shall be responsible for paying (for themselves or on behalf of their clients) all such fees, charges, levies and taxes to the Exchange, the SEHK Subsidiary and/or HKSCC for onward payment to SSE, the relevant China Connect Clearing House or the relevant governmental or regulatory body. For the avoidance of doubt, where any China Connect Exchange Participant fails to pay any such fees, charges, levies or taxes, the indemnity referred to in Rule 1442 applies. The Exchange will provide relevant information regarding such fees, charges, levies and taxes (including, where applicable, the manner of payment, collection and the filing or registration requirements) as are communicated to it by SSE, the relevant China Connect Clearing House or the

relevant governmental or regulatory body through publication on the HKEX website or such other means as the Exchange considers appropriate.

Off-Exchange Trades or Transfers Prohibited

- 14A12. (1) Except permitted under Rule 14A12(2) or where the CSRC otherwise provides or allows, the SEHK Subsidiary and Exchange Participants shall not trade or provide services to facilitate the trading of any China Connect Securities held within CCASS through any venue other than through the SSE Market System, and an Exchange Participant shall not match, execute or arrange the execution of any sale and purchase instructions or any transfer instructions of its clients in respect of any China Connect Securities in any manner otherwise than through the use of the China Connect Service in accordance with these Rules.
- (2) The following non-trade transfers are permitted:
- (a) Securities Borrowing and Lending as permitted under Rule 14A16(2);
 - (b) transfers between Exchange Participants and their clients for the purpose of rectifying error trades;
 - (c) post-trade allocation of China Connect Securities to funds or sub-funds in different accounts by fund managers who have entered into China Connect Securities Trades for the collective account of funds or sub-funds under management; and
 - (d) transfers set out in Rule 4110iii(e) to (j) of the HKSCC Rules.
- (3) China Connect Exchange Participant who carry out non-trade transfers of China Connect Securities referred to in Rule 14A12(2)(b) for the purpose of rectifying an error trade shall submit to the Exchange an error trade report together with supporting documents explaining the nature of the error, how the error was made and providing details of the non-trade transfer to be processed. The Exchange may disallow a particular China Connect Exchange Participant from carrying out non-trade transfers under Rule 14A12(2)(b) where the Exchange has reasonable cause to suspect or believe that the China Connect Exchange Participant may abuse or may have abused the rectification arrangements or may have used any non-trade transfers permitted under Rule 14A12(2)(b) to circumvent the prohibition under Rule 14A12(1).

Record Keeping

- 14A13. To comply with applicable laws in Mainland China and the requirements of SSE, China Connect Exchange Participants shall keep proper books and records of the China Connect orders input and the China Connect Securities Trades executed by it and the related client instructions and account information (including the related BCAN and CID) for a period of not less than 20 years. Such books and records shall include all relevant information concerning the Margin Trading, Short Selling and Securities Borrowing and Lending of any China Connect Securities. For the avoidance of doubt, with respect to Margin Trading, proper books and records on the funds provided to and the relevant securities margin financing arrangement entered into with the clients shall also be kept.

Exclusion of Liability of SSE

- 14A14. Exchange Participants shall acknowledge, and make appropriate arrangements for their clients to acknowledge, that SSE shall not be responsible or held liable for any loss or damage suffered directly or indirectly by a China Connect Exchange Participant, its clients or any third parties arising from or in connection with SSE making, amending or enforcing the SSE Rules, or any action taken by it in the discharge of its supervisory or regulatory obligations or functions including any action taken to deal with abnormal trading conduct or activities.

Margin Trading of China Connect Securities

- 14A15. (1) Unless otherwise determined by the Exchange, Margin Trading may be conducted by a China Connect Exchange Participant on behalf of its clients through the China Connect Service subject to Rules 14A15(2) to (10).

List of Eligible SSE Securities for Margin Trading

- (2) China Connect Exchange Participants shall ensure that Margin Trading is confined to those China Connect Securities that are included in the List of Eligible SSE Securities for Margin Trading published by the Exchange from time to time. No China Connect Exchange Participant is allowed to provide funds or securities margin financing arrangements to any of its clients for the purpose of or with the view to facilitating the purchase of China Connect Securities not included in the List of Eligible SSE Securities for Margin Trading. A China Connect Exchange Participant which fails to comply with this Rule shall be liable to disciplinary or other actions taken by the Exchange under Rule 1437 or 14A15(6).
- (3) The Exchange will publish the List of Eligible SSE Securities for Margin Trading on the HKEX website or through such other means as it considers appropriate and may update or amend the list from time to time. Unless the Exchange otherwise determines, the List of Eligible SSE Securities for Margin Trading will be compiled by reference to SSE's list of eligible securities for margin trading for the SSE Market, excluding Special China Connect Securities.

Suspension and Resumption of SSE Securities Margin Trading

- (4) Where the volume of margin trading activities in respect of any eligible China Connect Security exceeds the margin trading threshold prescribed by SSE, and SSE decides to suspend or has suspended margin trading activities in respect of that China Connect Security in the SSE Market, the Exchange may, as soon as practicable after being notified by SSE, require any or all China Connect Exchange Participants to stop or suspend carrying out any further Margin Trading in respect of that China Connect Security through the publication of a notice on the HKEX website or such other means as the Exchange considers appropriate. Margin Trading of the relevant China Connect Securities by China Connect Exchange Participants shall not resume until SSE has allowed margin trading activities on the relevant China Connect Securities to resume in the SSE Market; after SSE has notified the Exchange of the resumption, and after the Exchange has published a notice to that effect. China Connect Exchange Participants shall comply with the restrictions set out in this Rule

14A15(4) and all relevant notices issued pursuant to this Rule. For the avoidance of doubt, China Connect buy orders involving Margin Trading of China Connect Securities (whether they have been executed on the SSE System prior to the suspension taking effect or not) will not be affected.

- (5) Where the Exchange requires China Connect Exchange Participants to stop or suspend carrying out further Margin Trading pursuant to Rule 14A15(4), any new China Connect buy orders for the relevant China Connect Securities input into the CSC by any China Connect Exchange Participant shall be deemed to have been made with the representation and confirmation to the Exchange that such China Connect buy order does not involve Margin Trading. Where any China Connect Exchange Participant is found to have breached this Rule, the Exchange may take appropriate actions against it under Rules 1437 and 14A15(6).

Abnormal margin trading activities

- (6) Where the situation referred to in Rule 14A15(5) occurs, where there is reasonable cause to suspect or believe that abnormal margin trading activities have taken place, or where the Exchange otherwise considers appropriate, the Exchange and/or the SEHK Subsidiary may, without prejudice to other powers which it/they may have under these Rules, take any of the following actions:
 - (a) reject or suspend the routing of China Connect buy orders which, in its judgement, may involve Margin Trading in contravention of Rule 14A15(4) or (5) at any time;
