HKEx introduces additional Broker Supplied Systems

Hong Kong Exchanges and Clearing Limited (HKEx) completed the introduction of 22 additional Broker Supplied Systems (BSS) to AMS/3, the Third Generation Automatic Order Matching and Execution System, on 16 February (Friday). The additions raised the total to 71. The first batch of BSS were introduced in November of last year.

BSS are trading facilities developed by Stock Exchange Participants or vendors that enable Stock Exchange Participants to provide electronic trading services to investors through the Internet, mobile phones, and other electronic channels. Investors should note that the service levels of brokers' BSS may vary.

A list of the 22 Participants which took part in the latest BSS rollout is attached (in alphabetical order).
