### **HKEx introduces additional Broker Supplied Systems**

Hong Kong Exchanges and Clearing Limited completed the introduction of 30 additional Broker Supplied Systems (BSS) of AMS/3, the Third Generation Automatic Order Matching and Execution System last Friday (27 July).

There are now 125 Stock Exchange Participants using BSS and HKEx expects more systems to be introduced before year-end.

BSS are trading facilities developed by Stock Exchange Participants or vendors that enable Stock Exchange Participants to provide electronic trading services to investors through the Internet, mobile phones, and other electronic channels. Investors should note that the service levels of brokers' BSS may vary.

A list of the Stock Exchange Participants that took part in today's rollout is attached (in alphabetical order).
