## **HKEx introduces additional Broker Supplied Systems**

Hong Kong Exchanges and Clearing Limited (HKEx) introduced 14 additional Broker Supplied Systems (BSS) of AMS/3, the Third Generation Automatic Order Matching and Execution System on last Friday, 10 August.

There are now 137 Stock Exchange Participants using BSS and HKEx expects more systems to be introduced before year-end.

BSS are trading facilities developed by Stock Exchange Participants or vendors that enable Stock Exchange Participants to provide electronic trading services to investors through the Internet, mobile phones, and other electronic channels. Investors should note that the service levels of brokers' BSS may vary.

A list of the Stock Exchange Participants that took part in last Friday's rollout is attached (in alphabetical order).
