## SCHEDULE 2

### TAXATION

#### **Luxembourg**

The comments below are intended as a basic summary of certain tax consequences in relation to the purchase, ownership and disposal of the Notes under Luxembourg law. Persons who are in any doubt as to their tax position should consult a professional tax adviser.

#### **Withholding Tax**

Under Luxembourg tax law currently in effect and subject to the exception below, there is no Luxembourg withholding tax on payments of interest (including accrued but unpaid interest). There is also no Luxembourg withholding tax, with the possible exception of payments made to certain individual Noteholders, upon repayment of principal in case of reimbursement, redemption, repurchase or exchange of the Notes.

In accordance with the law of 23 December 2005, as amended, interest payments made by Luxembourg paying agents to Luxembourg individual residents are subject to a 20 per cent. withholding tax. Responsibility for withholding such tax will be assumed by the Luxembourg paying agent.

#### **Income Taxation on Principal, Interest, Gains on Sales or Redemption**

##### *Luxembourg tax residency of the Noteholders*

Noteholders will not be deemed to be resident, domiciled or carrying on business in Luxembourg solely by reason of holding, execution, performance, delivery, exchange and/or enforcement of the Notes.

##### *Taxation of Luxembourg non-residents*

Noteholders who are non-residents of Luxembourg and who do not have a permanent establishment, a permanent representative or a fixed base of business in Luxembourg with which the holding of the Notes is connected, will not be subject to taxes (income taxes and net wealth tax) or duties in Luxembourg with respect to payments of principal or interest (including accrued but unpaid interest), payments received upon redemption, repurchase or exchange of the Notes or capital gains realised upon disposal or repayment of the Notes.

##### *Taxation of Luxembourg residents*

Noteholders who are residents of Luxembourg will not be liable for any Luxembourg income tax on repayment of principal.

Interest received by an individual resident in Luxembourg is, in principle, reportable and taxable at the progressive rate unless the interest has been subject to withholding tax (see above “**Withholding Tax**”) or to the self-applied tax, if applicable. Indeed, in accordance with the Luxembourg law of 23 December 2005, as amended, Luxembourg resident individuals, acting in the framework of their private wealth, can opt to self-declare and pay a 20 per cent. tax on interest payments made by paying agents located in an EU Member State other than Luxembourg or a Member State of the European Economic Area other than an EU Member State.

The withholding tax or self-applied tax are the final tax liability for the Luxembourg individual resident taxpayers receiving the interest payment in the framework of their private wealth. Individual Luxembourg resident Noteholders receiving the interest as business income must include this interest in their taxable basis. If applicable, the 20 per cent. Luxembourg withholding tax levied will be credited against their final income tax liability.

Luxembourg resident individual Noteholders are not subject to taxation on capital gains upon the disposal of the Notes, unless the disposal of the Notes precedes the acquisition of the Notes or the Notes are disposed of within six months of the date of acquisition of these Notes. Upon the sale, redemption or exchange of the Notes, accrued but unpaid interest will be subject to the 20 per cent. Withholding Tax or the self-applied tax, if applicable. Individual Luxembourg resident Noteholders receiving the interest as business income must include the portion of the price corresponding to this interest in their taxable income. The 20 per cent. Luxembourg withholding tax levied will be credited against their final income tax liability.

Luxembourg resident corporate Noteholders, or non-resident Noteholders which have a permanent establishment, a permanent representative or a fixed base of business in Luxembourg with which the holding of the Notes is connected, must for income tax purposes include in their taxable income any interest (including accrued but unpaid interest) as well as the difference between the sale or redemption price and the lower of the cost or book value of the Notes sold or redeemed.

Luxembourg resident corporate Noteholders which are companies benefiting from a special tax regime (such as family wealth management companies subject to the law of 11 May 2007 as amended, undertakings for collective investment subject to the law of 17 December 2010, as amended, specialised investment funds subject to the law of 13 February 2007, as amended, or reserved alternative investment funds (“RAIFs”) governed by the law of 23 July 2016, as amended, provided it is not foreseen in the incorporation documents of such RAIFs that (i) the exclusive object is the investment in risk capital and that (ii) article 48 of the aforementioned law of 23 July 2016 applies) are tax exempt entities in Luxembourg, and are thus not subject to any Luxembourg tax (i.e., corporate income tax, municipal business tax and net wealth tax) other than the annual subscription tax calculated on their (paid up) share capital (and share premium) or net asset value.

#### **Net Wealth tax**

Luxembourg net wealth tax will not be levied on the Notes held by a corporate Noteholder, unless (a) such Noteholder is a Luxembourg resident other than a Noteholder governed by (i) the law of 17 December 2010 on undertakings for collective investment, as amended; (ii) the law of 13 February 2007 on specialised investment funds, as amended; (iii) the law of 22 March 2004 on securitisation, as amended; (iv) the law of 15 June 2004 on the investment company in risk capital, as amended; (v) the law of 11 May 2007 on family estate management companies, as amended; or (vi) the law of 23 July 2016 on the reserved alternative investment funds, as amended or (b) the Notes are attributable to an enterprise or part thereof which is carried on in Luxembourg through a permanent establishment or a permanent representative.

No Luxembourg net wealth tax will be levied on the Notes held by an individual Noteholder.

#### **Other taxes**

No stamp, registration, transfer or similar taxes or duties will be payable in Luxembourg by Noteholders in connection with the issue of the Notes, nor will any of these taxes be payable as a consequence of a subsequent transfer or redemption of the Notes, unless the documents relating to the Notes are voluntarily registered in Luxembourg or appended to a document that requires obligatory registration in Luxembourg.

There is no Luxembourg value added tax payable in respect of payments in consideration for the issuance of the Notes or in respect of the payment of interest or principal under the Notes or the transfer of the Notes. Luxembourg value added tax may, however, be payable in respect of fees charged for certain services rendered to the Issuer, if for Luxembourg value added tax purposes such services are rendered or are deemed to be rendered in Luxembourg and an exemption from Luxembourg value added tax does not apply with respect to such services.

Noteholders not permanently resident in Luxembourg at the time of death will not be subject to inheritance or other similar taxes in Luxembourg in respect of the Notes. No Luxembourg gift tax is levied upon a gift or donation of the Notes, if the gift is not passed before a Luxembourg notary or recorded in a deed registered in Luxembourg.

#### Project Evaluation and Selection

##### 1. Preliminary Screening

Based on the project compliance documents and referring to criteria and standards of Eligible Project categories defined in the Management Statement, the Bank's domestic and overseas branches shall conduct preliminary screening of eligible projects, to form the list of nominated projects and submit to the Headquarters for further review.

##### 2. Review and Approval

The Bank's Headquarters shall review each of the nominated projects, and then submit to professional third party agencies for an independent assessment. Approval will be granted to nominated projects certified by the professional third party agencies. The approved projects will form the Eligible Project List.

##### 3. Update and Maintenance

The Bank's Headquarters shall review the Eligible Project List on a quarterly basis and determine if any change(s) is necessary (for example, if a project has become ineligible due to amortization, prepayment, sale or other reasons). If such change(s) is necessary, the Headquarters shall organize domestic and overseas branches to nominate new projects and approve the eligible ones to replace projects that have become ineligible due to amortization, prepayment, sale or other reasons.

#### Management of Proceeds

##### 1. Planning for Use of Proceeds

Prior to the issuance of green bond, the Bank shall develop the preliminary Eligible Project List to ensure that the proceeds from green bond can be allocated to Eligible Projects in a timely manner.

## 2. Management of Separate Ledger

The Bank shall record the source and allocation of proceeds in a separate ledger management system to ensure that all the net proceeds of the green bond are properly managed and used. The ledger system shall contain information including but not limited to:

- Transaction information (issue amount, coupon, issue date and maturity date, etc.)
- Proceeds allocation information (project name, borrower description, project category, balance, release date, repayment date, exchange rate, interest rate of the loan, etc.)

The Bank will review and update the ledger on a quarterly basis. Any proceeds allocated to the projects that have amortized, been prepaid, sold or otherwise become ineligible shall be reallocated to newly nominated and approved projects.

## 3. Use of Unallocated Proceeds

Unallocated proceeds shall not be invested in greenhouse gas (GHG) intensive, highly polluting, energy intensive projects nor projects with negative social impacts (including but not limited to Explicitly Excluded Projects). The unallocated proceeds could be temporarily invested in green bond issued by non-financial institutions in domestic or international capital markets, and in money market instruments with good credit ratings and market liquidity, or kept in cash until they are allocated to Eligible Projects.

## Reporting

The Bank will make disclosure in relation to the allocation of the proceeds and the environmental impacts of the funded Eligible Projects on an annual basis on its official website (<http://www.boc.cn/en/investor/ir10/>) so long as green bond remains outstanding. The following contents will be disclosed annually:

## SCHEDULE 4

### RISK FACTORS RELATED TO NOTES BEING ISSUED AS GREEN BONDS

*The principal risk factors that may affect the ability of the Issuer to fulfil its obligations in respect of the Notes are discussed under "Risk Factors" in the Offering Circular. In addition, the section "Risk Factors" in the Offering Circular shall be supplemented with the following:*

***The Notes being issued as Green Bonds may not be a suitable investment for all investors seeking exposure to green assets***

Ernst & Young has been engaged by the Bank to examine the assertions in "*Description on Bank of China Limited, Luxembourg Branch's 2021 Green Bonds*" in Schedule 3, and has expressed a limited assurance opinion on such description ("**Attestation Report**"). The criteria for Ernst & Young's procedures are the ICMA Green Bond Principles.

The Attestation Report is not incorporated into, and it does not form part of, this Pricing Supplement. The Attestation Report and Management Statement are not a recommendation to buy, sell or hold securities and are only current as of their respective dates of issue and are subject to certain disclaimers set out therein. Furthermore, the Attestation Report is for information purposes only and none of Ernst & Young or the Managers accepts any form of liability for the substance of the Attestation Report and/or any liability for loss arising from the use of the Attestation Report and/or the information provided in it.

Whilst the Issuer and the Bank have agreed to certain obligations relating to reporting and use of proceeds as described under "*Description on Bank of China Limited, Luxembourg Branch's 2021 Green Bonds*" in Schedule 3, it would not be an Event of Default under the Terms and Conditions of the Notes if (i) the Issuer or the Bank were to fail to comply with such obligations or were to fail to use the proceeds of the issue of the Green Bonds in the manner specified in this Pricing Supplement and/or (ii) the Attestation Report issued in connection with such Green Bonds were to be withdrawn. Any failure to use the net proceeds of the issue of the Green Bonds in connection with green projects, and/or any failure to meet, or to continue to meet, the investment requirements of certain environmentally focused investors with respect to such Green Bonds, may affect the value and/or trading price of the Green Bonds, and/or may have consequences for certain investors with portfolio mandates to invest in green assets.

None of the Issuer, the Bank or the Managers makes any representation as to the suitability for any purpose of the Attestation Report or whether the Green Bonds fulfil the relevant environmental criteria. Each potential purchaser of the Green Bonds should (i) have regard to the relevant projects and eligibility criteria described under "*Description on Bank of China Limited, Luxembourg Branch's 2021 Green Bonds*" in Schedule 3 and (ii) determine for itself the relevance of the information contained in this Pricing Supplement regarding the use of proceeds, and its purchase of any Green Bonds should be based upon such investigation as it deems necessary. The Attestation Report and the Management Statement have been made available to investors on the Bank's website (<http://www.boc.cn/en/investor/ir10/>).
