Subject: New Policy to Enroll Independent Software Vendors for Market Data Testing

查詢

Enquiry: Ms. Iris Cheung (Tel: 2840 3569)

HKEx Market Data launched a new policy to enroll Independent Software Vendors (ISVs) for testing on HKEx Orion Market Data Platform (OMD) and the existing market data platforms including Market Datafeed System (MDF 3.8) and Price Reporting System (PRS and PRS Plus).

With this new capacity, ISVs can conduct testing for themselves and their clients, which can include Exchange Participants (EPs). This is expected to reduce direct costs to EPs and facilitate the market readiness of OMD roll-out and other system initiatives.

To learn more about the benefits and details of conducting Market Data testing through ISVs, please refer to the Guiding Note and FAQ as uploaded on the HKEx Website.

Should you have any queries on this new policy, please contact us at marketdata@hkex.com.hk.

Yours sincerely,

Winnie Sin
Assistant Vice President
Sales & Marketing, Market Data
Global Markets Division
