1. Introduction

As a market operator, Hong Kong Exchanges and Clearing Limited (“HKEX”) has its own contingency plan in place for possible scenarios that would cause interruption to its operations. One of the scenarios is the failure of primary data centre which would trigger a failover to the secondary data centre. To enable HKCC / SEOCH Participants (“CPs”) and related parties to familiarize themselves with the contingency procedures for the failover of DCASS / CCMS data centre, HKEX will conduct a regular DCASS / CCMS data centre failover rehearsal (“the Rehearsal”) on Saturday, 19 July 2025.

CPs are cordially invited to participate in the Rehearsal. During the Rehearsal, CPs will be requested to perform post-trade transactions before and after the failover is triggered.

This Information Package is designed to assist CPs in planning and preparing for the Rehearsal. CPs should read this Information Package carefully and make necessary preparation before participating in the Rehearsal. CPs should also pass a copy of this document to their IT support teams or system vendors to ensure proper technical support is available before and during the Rehearsal.

2. Objective and Scope

2.1 Objective

The objective of the Rehearsal is to enable CPs and related parties to familiarize themselves with the contingency procedures for the failover of DCASS / CCMS data centres.

CPs holding CCASS Participants may also participate in the CCASS data centre failover rehearsal. As CCMS shares the same infrastructure and failover arrangement of CCASS, it is optional for CPs to participate separately in the CCMS data centre failover rehearsal. For details about the CCMS data centre failover rehearsal, please refer to Appendix D.

2.2 Scope

The Rehearsal will consist of two parts:

Before failover

- 1st T Session

After failover

- 2nd T Session
- T+1 Session

CPs are required to complete BOTH the 1st and 2nd T Sessions. T+1 Session is optional and only applicable for those HKCC Participants who support clearing activities during that period.

3. Important Notes to HKCC/SEOCH Participants

3.1 Technical Setup for the Rehearsal

To facilitate the preparation of the Rehearsal, after CPs have completed their DCASS operations on Friday, 18 July 2025, until the day end of Saturday, 19 July 2025, CPs must ensure the followings:

- i) correct Google Chrome browser (136.0.7103.93) has been installed in the CP's DCASS Online workstations;
- ii) production URL is ready to logon DCASS Online;
- iii) for CPs using DCASS OAPI program(s): Certified and tested OAPI programs are in place;
- iv) The connectivity of HKEX SFTP Facility (Report Retrieval Solution) to both primary (10.151.14.141 or 10.151.14.142, port 18801) and secondary data centre (10.152.14.141 or 10.152.14.142, port 18801), the relevant network configuration (e.g. firewall) is ready

CPs will be notified via email when their production DCASS Online are ready for verification. CPs should perform connectivity verification as follows:

- i) Login their DCASS Online
- ii) Verify the availability of production reports / files
- iii) Verify Friday's trade history against their production records
- iv) Send email to HKEX for connectivity confirmation

3.2 Preparation and Execution for the Rehearsal

CPs should note the following arrangements for the preparation and execution of the Rehearsal:

- i) CPs are required to login DCASS via their DCASS Online / OAPI programs, where applicable, at 11:00 a.m. promptly to start the Rehearsal on time.
- ii) Staff of CPs must have experience in conducting DCASS related activities for their daily business operations, and shall use the **production user IDs as of 2 July 2025 start of day with the testing password "hkex388testing1\$"** ^{Note 1} **to access DCASS during the Rehearsal.** Besides, CPs should ensure their participating staff members have appropriate user function access right to perform the required clearing activities at DCASS during the Rehearsal. **CPs' DCASS Administrators are not encouraged to change the users function access during the Rehearsal because it will take time to be effective.**

Note 1: This testing password will only be applicable for testing during the Rehearsal

- iii) CPs should ensure that they have access to the emails of the designated contact persons for the Rehearsal and the contact no. of these designated contact persons are reachable in order to receive emergency messages from HKEX during the Rehearsal.
- iv) **For those CPs who are using vendor-developed OAPI programs, please communicate with the system vendor** to ensure that their OAPI programs will be available during the Rehearsal.
- v) CPs should refer to the “**Checklist for Data Centre Failover Rehearsal**” set forth in Appendix A for the action items to be performed before, during and after the Rehearsal. In order to achieve the testing objectives, participating users should familiarize themselves with the requirements and procedures prior to the Rehearsal.
- vi) CPs should have the system administrator ID(s) and password(s) of their internal systems ready throughout the Rehearsal in case technical trouble-shooting is required.
- vii) CPs are recommended to maintain a proper audit trail in respect of each transaction input during the Rehearsal in accordance with the policy currently adopted by them. The responsible officer or his/her designate of each participating CP should be present during the Rehearsal to supervise the testing process and to be responsible for relaying any issues arising during the Rehearsal to HKEX. CPs should execute post-trade transactions via DCASS Online / OAPI programs during the Rehearsal with the “**Data Setup and Execution Requirements**” set forth in Appendix B.
- viii) CPs shall complete and return the duly signed “**DCASS / CCMS Data Centre Failover Rehearsal Confirmation Form**” as set forth in Appendix C to clearingpsd@hkex.com.hk before 5:00 p.m. on Saturday, 19 July 2025.

4. Schedule and Arrangements

4.1 Overview

The Rehearsal will be conducted on Saturday, 19 July 2025. During the Rehearsal, trades executed via HKATS and pre-defined trades provided by HKEX will be transmitted to and captured by DCASS, which will be available for CPs to perform post-trade activities.

4.2 Schedule and Timetable

CPs are requested to ensure their DCASS Online / OAPI programs, where applicable, will be available during the Rehearsal.

4.3 User ID and Login Password

CPs should use their production user IDs as of 2 July 2025 start of day and testing password “**hkex388testing1\$**” to access DCASS via DCASS Online and/or OAPI programs during the Rehearsal.

4.4 Rehearsal Environment

When CPs login to DCASS, they will be simulating production operation as if 19 July 2025 is a normal business day. HKEX will prepare pre-defined trades dated 19 July 2025 for each CP.

4.5 Transactions to be Executed

CPs should execute post-trade transactions via DCASS Online and/or OAPI programs, where applicable, during the Rehearsal. CPs should refer to the **“Data Setup & Execution Requirements”** as set forth in Appendix B for details.

4.6 Report Download

No reports will be produced for the rehearsal environment. However, CPs can retrieve their historical DCASS production reports via Report Retrieval Solution during the Rehearsal.

4.7 Pre-Rehearsal Arrangement

If CPs would use their production Back Office System (“BOS”) to perform the Rehearsal, they should ensure that their production BOS data are properly backed up before the Rehearsal. Data restore procedures should also be prepared before the Rehearsal so that production data can be restored to their production BOS after the on-line session of the Rehearsal. CPs should discuss the issue with their in-house IT team or BOS vendor before the Rehearsal if such procedures are required.

CPs using OAPI during the Rehearsal should make sure that their OAPI applications are NOT connected to their production environment. Besides, CPs are requested to ensure their back-up and restore procedures are readily in place to clean-up and resume their system back to production image after the Rehearsal.

4.8 Post-Rehearsal Arrangement

CPs with OAPI are reminded to do clean-up and make sure that their corresponding OAPI used in the Rehearsal has been resumed to production image and ready for normal business activities on the next business day, Monday, 21 July 2025.

4.9 Rehearsal Confirmation

CPs are required to complete and return the duly signed “DCASS / CCMS Data Centre Failover Rehearsal Confirmation Form” in Appendix C and return to clearingpsd@hkex.com.hk via email before 5:00 p.m. on Saturday, 19 July 2025.

5. Severe Weather Conditions Arrangements

If severe weather conditions is issued or continues to be in force at or after 9:00 a.m. on the day of Rehearsal, the Rehearsal will be cancelled and will not be resumed for the rest of the day.

In case severe weather conditions is issued after the start of the Rehearsal, the Rehearsal will be terminated 15 minutes thereafter.

In case Black Rainstorm Warning is issued during the Rehearsal, all scheduled activities of the Rehearsal will continue as normal.

6. Communication Channels

Before the Rehearsal, i.e. approximately two hours (i.e. 9:00 a.m. on 19 July 2025), CPs can call DCASS Hotline at 2979-7222 to check whether the Rehearsal will be held according to schedule.

Under normal situation, HKEX will communicate with the designated contact persons of the CPs during the Rehearsal via email and/or phone calls.

In the event of cancellation or postponement of the Rehearsal if contingency happened two hours before the Rehearsal starts (i.e. **9:00 a.m. on 19 July 2025**) due to unexpected situations, HKEX will inform CPs of the ad-hoc arrangements via emails and/or phone calls.

CPs should ensure that their nominated person(s) will be reachable during the prescribed time and the relevant email addresses and mobile phone numbers submitted to HKEX are accurate.

7. Help Desk

For any queries during the preparation and execution of the Rehearsal, CPs can contact DCASS Hotline at **2979-7222** for assistance.

3. to provide you with our products and services and administer your account in relation to such products and services;
4. to conduct research and statistical analysis;
5. to process your application for employment or engagement within HKEX to assess your suitability as a candidate for such position and to conduct reference checks with your previous employers; and
6. other purposes directly relating to any of the above.

Direct marketing

Where you have given your consent and have not subsequently opted out, we may also use your name, mailing address, telephone number and email address to send promotional materials to you and conduct direct marketing activities in relation to HKEX financial services and information services, and financial services and information services offered by other members of the Group.

If you do not wish to receive any promotional and direct marketing materials from us or do not wish to receive particular types of promotional and direct marketing materials or do not wish to receive such materials through any particular means of communication, please contact us through one of the communication channels set out in the "Contact Us" section below. To ensure that your request can be processed quickly please provide your full name, email address, log in name and details of the product and/or service you have subscribed.

Identity Card Number

We may also collect your identity card number and process this as required under applicable law or regulation, as required by any regulator having authority over us and, subject to the PDPO, for the purpose of identifying you where it is reasonable for your identity card number to be used for this purpose.

Transfers of personal data for direct marketing purposes

Except to the extent you have already opted out we may transfer your name, mailing address, telephone number and email address to other members of the Group for the purpose of enabling those members of the Group to send promotional materials to you and conduct direct marketing activities in relation to their financial services and information services.

Other transfers of your personal data

For one or more of the purposes specified above, your personal data may be:

1. transferred to other members of the Group and made available to appropriate persons in the Group, in Hong Kong or elsewhere and in this regard you consent to the transfer of your data outside of Hong Kong;
2. supplied to any agent, contractor or third party who provides administrative, telecommunications, computer, payment, debt collection, data processing or other services to HKEX and/or any of other member of the Group in Hong Kong or elsewhere; and
3. other parties as notified to you at the time of collection.

How we use cookies

If you access our information or services through the HKEX website, you should be aware that cookies are used. Cookies are data files stored on your browser. The

HKEX website automatically installs and uses cookies on your browser when you access it. Two kinds of cookies are used on the HKEX website:

Session Cookies: temporary cookies that only remain in your browser until the time you leave the HKEX website, which are used to obtain and store configuration information and administer the HKEX website, including carrying information from one page to another as you browse the site so as to, for example, avoid you having to re-enter information on each page that you visit. Session cookies are also used to compile anonymous statistics about the use of the HKEX website.

Persistent Cookies: cookies that remain in your browser for a longer period of time for the purpose of compiling anonymous statistics about the use of the HKEX website or to track and record user preferences. The cookies used in connection with the HKEX website do not contain personal data. You may refuse to accept cookies on your browser by modifying the settings in your browser or internet security software. However, if you do so you may not be able to utilise or activate certain functions available on the HKEX website.

Compliance with laws and regulations

HKEX and other members of the Group may be required to retain, process and/or disclose your personal data in order to comply with applicable laws and regulations or in order to comply with a court order, subpoena or other legal process (whether in Hong Kong or elsewhere), or to comply with a request by a government authority, law enforcement agency or similar body (whether situated in Hong Kong or elsewhere) or to perform or discharge the Regulatory Functions. HKEX and other members of the Group may need to disclose your personal data in order to enforce any agreement with you, protect our rights, property or safety, or the rights, property or safety of our employees, or to perform or discharge the Regulatory Functions.

Corporate reorganisation

As we continue to develop our business, we may reorganise our group structure, undergo a change of control or business combination. In these circumstances it may be the case that your personal data is transferred to a third party who will continue to operate our business or a similar service under either this Privacy Policy Statement or a different privacy policy statement which will be notified to you. Such a third party may be located, and use of your personal data may be made, outside of Hong Kong in connection with such acquisition or reorganisation.

Access and correction of personal data

Under the PDPO, you have the right to ascertain whether we hold your personal data, to obtain a copy of the data, and to correct any data that is inaccurate. You may also request us to inform you of the type of personal data held by us. All data access requests shall be made using the form prescribed by the Privacy Commissioner for Personal Data ("**Privacy Commissioner**") which may be found on the official website of the Office of the Privacy Commissioner or via this link <https://www.pcpd.org.hk/english/publications/files/Dforme.pdf>

Requests for access and correction of personal data or for information regarding policies and practices and kinds of data held by us should be addressed in writing and sent by post to us (see the "Contact Us" section below).

A reasonable fee may be charged to offset our administrative and actual costs incurred in complying with your data access requests.

Termination or cancellation

Should your account or relationship with us be cancelled or terminated at any time, we shall cease processing your personal data as soon as reasonably practicable following such cancellation or termination, provided that we may keep copies of your data as is reasonably required for archival purposes, for use in relation to any actual or potential dispute, for the purpose of compliance with applicable laws and regulations and for the purpose of enforcing any agreement we have with you, for protecting our rights, property or safety, or the rights, property or safety of our employees, and for performing or discharging our functions, obligations and responsibilities.

General

If there is any inconsistency or conflict between the English and Chinese versions of this Privacy Policy Statement, the English version shall prevail.

APPENDIX D: Rehearsal Arrangement for CCMS Data Centre Failover

1. Technical Setup of CCMS Terminal for the Rehearsal

Before the Rehearsal day, CPs should ensure their workstations are configured according to the CCASS (CCMS) Terminal Installation Procedures on Client Connect, especially the following sections which may affect connectivity after switching to secondary data centre:

A. Section 4.2 – configure the required Domain Name System (DNS) server IP as follows:

- Preferred DNS: 10.243.1.1 (UDP Port 53)
- Alternate DNS: 10.243.65.1 (UDP Port 53); and

B. Section 4.5 – verify the DNS setup and connectivity to the Alternate DNS

C. Section 5.3 – configure Compatibility View Settings

D. Section 5.4 – configure Local Intranet Settings

E. Section 5.5 – disable Certificate Revocation Check

Furthermore, CPs should note the following arrangements for the preparation and execution of the Rehearsal:

2. Important Notes to CPs

CPs should note the following arrangements before, during and after the CCMS data centre failover rehearsal (“the CCMS Rehearsal”):

- a) CPs should logon their CCMS Terminals **at 11:30 a.m. promptly to start the CCMS Rehearsal** on 19 July 2025.
- b) CPs should use their production CCMS Terminals.
- c) Due to the CCMS Rehearsal, CCMS services including on-line enquiries and report download for production will be suspended on 19 July 2025.
- d) In case CP not using HKEX provided DNS services to access CCMS, please arrange staff with experience to update the host table or change IP addresses during the CCMS Rehearsal.
- e) CP using host table to access CCMS, should check and ensure the domain for CCMS 2FA Server will be resolved to the following IP addresses in the **host table** during the respective sessions in the CCMS Rehearsal:

Session	IP Address	CCMS 2FA URL
Session 1: Primary Data Centre	10.243.2.15	sso.hkexpostrade.com.hk
Session 2: Secondary Data Centre	10.243.66.15	sso.hkexpostrade.com.hk
After completion of Rehearsal	Follow the IP addresses shown for Session 1	

Please refer to section 3 under Appendix D for detail schedule.

However, there is NO change for CCMS URL (<https://www.ccass.com>) and the IP address of domain of CCMS (www.ccass.com)

- f) CP using **IP addresses** to access CCMS 2FA server, before conducting DR connectivity, should check and ensure the CCMS's 2FA server IP address has been changed from primary connection to secondary connection, i.e. 10.243.66.15.
Before re-connecting to Primary Data Centre after DR connectivity (please refer to section 4.2 for detail schedule), resume to primary connection, i.e. 10.243.2.15.
- g) The staff of CPs who will participate in the CCMS Rehearsal must have experience in using CCMS in their daily business activities, and have the registered email address/ mobile device for receiving One-Time-Password (OTP) and regular passwords for accessing CCMS by Two-Factor-Authentication (2FA) during the CCMS Rehearsal. Also, CPs should ensure that the participating staff has completed the first time login process, please refer to Appendix C of Information Package for Launch of 2FA for the first time login arrangement.
- h) CPs should ensure that the participating staff will be able to perform or access the required CCMS functions. The Delegated Administrators (DA) of CPs are encouraged NOT to change any user function access during the CCMS Rehearsal as it will take time to take effect.
- i) The CCMS reports/data files available in the CCMS Rehearsal are for reference only. CPs should not rely on such CCMS reports/data files for production use.
- j) ***CPs are reminded to remove ALL their testing data and downloaded CCMS reports/data files used in the CCMS Rehearsal from their production CCMS Terminals to avoid any mis-use during normal CCMS operations on next business day.***
- k) If CPs would use their production Back Office System (BOS) to perform the CCMS Rehearsal, they should ensure that their production BOS data are properly backed up before the CCMS Rehearsal. A data restore procedure should also be in place before the CCMS Rehearsal so that production data can be restored to their production BOS after the on-line sessions of the CCMS Rehearsal. CPs should discuss the issue with their in-house IT team or BOS vendor before the CCMS Rehearsal if such procedures are required.
- l) ***CPs who use BOS in the CCMS Rehearsal are reminded to do clean-up and make sure that their corresponding BOS used in the CCMS Rehearsal has been resumed to production image and ready for normal business activities on the next business day.***
- m) CPs should also ensure network equipment is powered up and connected at all times before and after the CCMS Rehearsal.
- n) CPs should refer to the Checklist in Section (9) and the Schedule and Timetable listed in Section (2) for the action items to be performed before, during and after the CCMS Rehearsal for preparation and execution. In order to achieve the objectives, it is imperative that CPs follow the CCMS Rehearsal checklist and rundown. CPs should ensure their participating staff is familiar with the requirements and procedures prior to participating in the CCMS Rehearsal.
- o) **In addition, CPs are recommended to maintain a proper audit trail in respect of each transaction performed during the CCMS Rehearsal. A responsible officer or his/her designate of each participating CP is advised to be present**

during the CCMS Rehearsal to supervise the testing process and to be responsible for relaying any issues arising during the CCMS Rehearsal to HKEX. In any event, it is recommended that an internal briefing should be held by each CP prior to the CCMS Rehearsal to ensure that (i) staff involved fully understand all requirements and procedures and (ii) proper arrangements have been put in place by the CP to comply with the CCMS Rehearsal requirements.

- p) CPs should ensure that they have access to the emails of the designated contact persons for the CCMS Rehearsal and the contact no. of these designated contact persons are reachable in order to receive emergency messages from HKEX during the CCMS Rehearsal.
- q) CPs should coordinate with their IT teams and/or vendors for necessary preparation for the Rehearsal. Moreover, CPs should secure sufficient support from their IT teams and/or vendors at all times during the Rehearsal. Administrator accounts on the CCMS Terminals should be ready to correct PC configurations for the terminals if necessary.

3.2 User ID and Login Password

The CPs’ user profiles are based on the latest production image prior to the CCMS Rehearsal, i.e. 18 July 2025 (Friday).

During the CCMS Rehearsal, if 2FA password reset is performed or DAs of CPs have reset user’s password, the users concerned should use the *original* password (i.e. before password reset in the CCMS Rehearsal) for production use on the following business day, i.e. 21 July 2025 (Monday).

4. Rehearsal Environment

The CCMS Rehearsal will be conducted based on the production image as of 19 July 2025. When CPs logon CCMS during the CCMS Rehearsal, they will be simulating production operation during 19 July 2025. For rehearsal purpose, 19 July 2025 will be set as a business day in CCMS.

5. Transactions to be Executed

CCMS on-line sessions will be available in the CCMS Rehearsal. CPs are required to perform the recommended CCMS functions and logon during ALL two on-line sessions. CPs should refer to Section (2.1) for the detailed execution script before and

after the failover.

6. Report Download

CPs can retrieve CCMS reports via “Report Download” function during the CCMS Rehearsal.

7. Severe Weather Conditions Arrangements

The severe weather conditions arrangements will be same as these of DCASS data centre failover rehearsal.

8. Communication Channels

The communication channels will be same as these of DCASS data centre failover rehearsal.

9. Help Desk

For any queries during the preparation and execution of the CCMS Rehearsal, CPs can contact DCASS Hotline at **2979-7222** for assistance.
