通告 CIRCULAR

Subject: Derivatives Mobile App Upgrade

Enquiry: Mr. Justyn Ip 2211-6150

Hong Kong Exchanges and Clearing Ltd. (HKEX) is pleased to announce that the “Options Mobile App” has been upgraded to the “Futures and Options Mobile App” with immediate effect.

The latest mobile app displays real time prices of following futures products in additional to prices of options products in the Market Snapshot Section:

- Index Futures: CES 120 China Index Futures and Sector Index Futures
- Stock Futures
- Currency Futures
- London Metal Mini Futures

Please refer to the Appendix for the full list of futures products being displayed in the mobile app.

Key features of the mobile app include:

- Real time prices on-demand for index options, stock options and the abovementioned futures;
- Market snapshot of options contracts with most trading activities;
- Option search;
- Options portfolio value tracking;
- Options theoretical price calculator;
- Options education information such as educational videos; and
- Options margin information and dividend search.

The mobile app can be operated on the iOS and Android systems and is now available for download free of charge on Google Play and Apple’s App Store by searching the key word “HKEX”. The App can also be downloaded by scanning the QR codes below:

Platform	QR Code
iOS	
Android (Google Play)	
Android (360 Mobile Assistant)	
Android (Xiaomi App Store)	

Li Gang
Co-Head
Market Development Division

This circular has been issued in the English language with a separate Chinese language translation. If there is any conflict in the circulars between the meaning of Chinese words or terms in the Chinese language version and English words in the English language version, the meaning of the English words shall prevail.
