通告 CIRCULAR

Subject: **SHENZHEN-HONG KONG STOCK CONNECT – SHENZHEN STOCK EXCHANGE TRADING INTERFACE ENHANCEMENT FOR NORTHBOUND TRADING**

Enquiry: **Participant General Enquiry Hotline (Tel : 2840 3626 E-mail : trd@hkex.com.hk)**

China Connect Exchange Participants (CCEPs) are requested to note that the interface between Shenzhen Stock Exchange (SZSE) Trading System and China Stock Connect System (CSC) will be upgraded to the latest SZSE 5th Generation Trading System Interface. This interface enhancement is internal to CSC and is transparent to CCEP's Broker Supplied Systems (BSS) connected via the current China Connect Open Gateway (CCOG) or the to-be-launched China Connect Central Gateway (CCCG).

To facilitate CCEPs to prepare for the upgrade, a practice session will be arranged on **13 May 2017 (Saturday)** for all CCEPs to test their normal trading activities with SZSE through this new interface. The trading hours of the practice session will be from 9:15 to 12:00 tentatively. Interested CCEPs are required to complete and return the attached [enrollment form](#) to HKEX **on or before 5 May 2017**. Enrolled CCEPs will be notified of the schedules, guidelines and rundowns for the practice session separately prior to the testing date.

The release date of the enhanced SZSE trading interface will be announced after the completion of the practice session.
