Enquiry: **Participant General Enquiry Hotline (Tel : 2840 3626 E-mail : trd@hkex.com.hk)**

Referring to the Exchange circular (Ref. No.: [CT/033/17](#)) dated 28 April 2017, following the successful completion of the first Rollout Test (RT), China Connect Exchange Participants (CCEPs) who have enrolled to be the first batch users of CCCG (CCCG users) are required to participate in the **second mandatory Rollout Test (RT2) on 10 June 2017 (Saturday)**.

The RT2 would allow CCCG users to verify their readiness for the rollout of CCCG and/or HKEX's Orion Market Data Platform – China Connect Securities (OMD-CC), as well as their contingency arrangements for the simulated system failover of CCCG and OMD-CC from the primary site to the backup site.

During the RT2, CCCG users must log on and perform trading activities on all CCCG session(s) subscribed. An [Information Package on Rollout Test 2 for Batch 1 CCCG Users](#) (Information Package) setting out the schedules, guidelines and rundowns of the RT2 is available for download from the [Technical Documents](#) section at the HKEX mutual market website (<http://www.hkex.com.hk/mutualmarket>). After completion of the RT2, CCCG users are required to return the completed feedback form (Appendix C in the Information Package) **on or before 12 June 2017**.

An **optional Fallback Verification session** for the following trading day (i.e. Monday, 12 June 2017) will also be arranged after the RT2 is completed. CCCG users who wish to participate in the optional session are required to complete and return the booking form (Appendix A in the Information Package) **on or before 2 June 2017**.

Subject to the successful completion of the RT2, the rollout date of CCCG will be announced in due course.
