Capitalized terms used herein shall have the same meanings set out in the Announcement unless the context otherwise requires.

According to the Announcement, the expected Last Trading Day of the Hong Kong Shares of each Sub-Fund on The Stock Exchange of Hong Kong Limited (the “SEHK”) will be 12 July 2017, after which the Hong Kong Shares of the Sub-Fund will no longer be traded on the SEHK. The expected Deauthorisation and Delisting Date of each Sub-Fund will be on or around 31 October 2017.

Upon Deauthorisation and Delisting of each Sub-Fund, each Sub-Fund will no longer be subject to Hong Kong regulation by the Securities and Futures Commission (the “SFC”) nor recognized as the eligible securities in Central Clearing and Settlement System (“CCASS”) by Hong Kong Securities Clearing Company Limited (“HKSCC”).

Exchange and CCASS Participants should inform and liaise with their clients as soon as possible to take any appropriate action(s). Potential course of action(s) to be taken by investors on or before the Last Trading Day are briefly mentioned below.

Potential actions to be taken by investors on or before the Last Trading Day

1. Trading of Hong Kong Shares of each Sub-Fund on the SEHK

On any trading day up to and including the Last Trading Day (i.e. from now up to and including 12 July 2017), an investor may continue to buy or sell Hong Kong Shares of each Sub-Fund on the SEHK in accordance with the usual trading arrangements currently in place during the trading hours of the SEHK and based on the prevailing market prices. The market maker of each Sub-Fund (i.e. Deutsche Securities Asia Limited) will continue to provide liquidity in accordance with the Trading Rules of the SEHK to facilitate the trading of Hong Kong Shares of each Sub-Fund on SEHK. These Exchange Trades will be cleared inside CCASS and automatically settled on a Continuous Net Settlement (CNS) basis as usual unless they are isolated from the CNS System by the counterparty Exchange Participants at the time of trade or isolated from the CNS System by HKSCC, in which case such trades will be settled on a trade-for-trade (TFT) basis.

2. Proposed Compulsory Redemption of each Terminating Share Class

The investments attributable to each Terminating Share Class will be liquidated and the outstanding Shares in each Terminating Share Class will be compulsorily redeemed on 19 July 2017.

For relevant Shareholders of the Hong Kong Shares who are based on the names appearing on the records of the CCASS as at the Hong Kong Record Date (i.e. At close of business on 17 July 2017) will be entitled to the payment of Redemption Proceeds resulting from Compulsory Redemption. The Redemption Proceeds resulting from Compulsory Redemption to each Relevant Shareholder is expected to be paid to the accounts of its financial intermediary or stockbroker maintained with CCASS on or before 2 August 2017.

IMPORTANT NOTES: If Shareholders dispose of their holdings in the Hong Kong Shares of any Sub-Fund at any time on or before the Last Trading Day, they will not, in any circumstances, be entitled to any portion of the Redemption Proceeds or any further amount payable resulting from the Compulsory Redemption in respect of any such Shares so disposed. Investors should exercise caution and consult with their professional and financial advisers before dealing in the Hong Kong Shares of any Sub-Fund or otherwise deciding on any course of action to be taken.

Exchange/CCASS Participants are urged to:

- forward a copy of the Announcement to their clients holding Hong Kong Shares of any Sub-Fund, and inform them of the contents of the Announcement as soon as possible;
- assist their clients who want to dispose of Hong Kong Shares of any Sub-Fund on or before the Last Trading Day; and
